NOTICE OF STOCKHOLDER ACTION

May 15, 2023

To Holders of Series A Cumulative Convertible Preferred Stock of Garrett Motion Inc. (the “Corporation,” “we,” “our” or “us”):

NOTICE IS HEREBY GIVEN that on April 12, 2023, the holders of a majority of our outstanding shares of Series A Cumulative Convertible Preferred Stock (the “Series A Preferred Stock”), in lieu of a meeting of the stockholders, authorized and approved by written consent, in the form attached hereto as Appendix A, an amendment and restatement of the current certificate of designations of the Series A Preferred Stock (as previously amended and restated to the date hereof, the “Certificate of Designations”) in the form attached hereto as Appendix B-1 (as so amended and restated, the “Second Amended and Restated Certificate of Designations”).

The adoption of the Second Amended and Restated Certificate of Designations is an integral part of a series of transactions (the “Transactions”) that we have agreed to engage in with certain funds affiliated with Centerbridge Partners, L.P. (“Centerbridge”) and certain funds affiliated with Oaktree Capital Management, L.P. (“Oaktree”), which collectively own approximately 55% of the Series A Preferred Stock. As more fully described in the accompanying Information Statement, the Transactions are designed to increase the attractiveness of the Corporation to investors by facilitating the orderly transformation of our capital structure into a single class of common stock with greater market capitalization and enhanced liquidity, reducing overhang on the Corporation’s stock price caused by our concentrated equity ownership, and mitigating negative impacts of an unplanned automatic conversion of the Series A Preferred Stock. As part of the Transactions, we have agreed to adopt the Second Amended and Restated Certificate of Designations which, among other things, requires the conversion of all shares of Series A Preferred Stock into shares of our common stock, subject to the repurchase by the Corporation from each of Centerbridge and Oaktree of a portion of each holder’s shares of Series A Preferred Stock as described herein. We expect that this conversion of the Series A Preferred Stock will occur on or about June 12, 2023.

As part of the Transactions, each of Centerbridge and Oaktree has also agreed to reduce the number of members of our Board of Directors that each is entitled to nominate from three to one, to enter into customary lock-up agreements with respect to their shares of the Corporation’s equity securities and to certain other limitations to their investor rights.

The Transactions were unanimously approved by a committee consisting of the disinterested members of our Board of Directors, being Daniel Ninivaggi, D’aun Norman, Robert Shanks and Julia Steyn (the “Preferred Conversion Committee”). The Transactions, including the Second Amended and Restated Certificate of Designations, were approved by our Board of Directors pursuant to the Second Amended and Restated Certificate of Incorporation of the Corporation. The Second Amended and Restated Certificate of Designations was approved by written consent of the holders of a majority of our Series A Preferred Stock pursuant to the Certificate of Designations and Section 228 of the Delaware General Corporation Law, which permits any action to be taken at a meeting of stockholders to be taken by written consent by the holders of the number of shares of stock required to approve the action at a meeting at which all shares entitled to vote were present and voted.

The accompanying Information Statement is being furnished only to inform holders of our Series A Preferred Stock of the action described above before it takes effect in accordance with Rule 14c-2 promulgated under the Securities Exchange Act of 1934, as amended. The Second Amended and Restated Certificate of Designations will not be effective until filed with the Delaware Secretary of State. We intend to file the Second Amended and Restated Certificate of Designations twenty (20) calendar days after the accompanying Information Statement is first mailed to holders of our Series A Preferred Stock. This Information Statement is being mailed on or about May 15, 2023 to holders of record of our Series A Preferred Stock as of May 11, 2023.

INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

GENERAL

Garrett Motion Inc., a Delaware corporation (the “Corporation,” “we,” “our” or “us”) is furnishing this information statement (this “Information Statement”) to the holders of record of the Corporation’s Series A Cumulative Convertible Preferred Stock, par value \$0.001 per share (the “Series A Preferred Stock”) as of May 11, 2023 (the “Record Date”) in full satisfaction of any notice requirements we may have under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the Delaware General Corporation Law (the “DGCL”). No action is requested or required on your part. This Information Statement is first being sent or given on or about May 15, 2023 to holders of record of our Series A Preferred Stock as of the Record Date.

The Certificate of Designations for the Series A Preferred Stock (as previously amended and restated to the date hereof, the “Certificate of Designations”) currently provides for the automatic conversion of all shares of Series A Preferred Stock into shares of the Corporation’s common stock, par value \$0.001 per share (the “Common Stock”) following the occurrence of an Automatic Conversion Event (as defined therein). An Automatic Conversion Event may occur on a trading day at any time on or after April 30, 2023 on which certain conditions are met, as more fully described in “*Amendment and Restatement of Certificate of Designations of the Series A Cumulative Convertible Preferred Stock—Background and Rationale*” below. One of these conditions is tied to achieving a daily volume-weighted average price of our Common Stock over a 75-day trading period in excess of \$7.875 per share. As described below, depending upon the trading performance of our Common Stock, an Automatic Conversion Event could occur early in the third quarter of 2023. However, due to the price volatility of our Common Stock, the Corporation is unable to predict with certainty if or when an Automatic Conversion Event will occur. In addition, the uncertainty of the timing of an Automatic Conversion Event and the possibility that an Automatic Conversion Event may occur without sufficient advance notice impede our ability to develop and execute plans to mitigate the immediate consequences to holders of Common Stock of an Automatic Conversion Event, such as dilution, market overhang and price volatility.

In order to ensure the prompt and orderly conversion of the Series A Preferred Stock into shares of Common Stock and to mitigate the risks of an unpredictable Automatic Conversion Event, on April 12, 2023, the Corporation entered into separate transaction agreements (collectively, the “Transaction Agreements”) with funds affiliated with each of Centerbridge Partners, L.P. and Oaktree Capital Management, L.P., which collectively own approximately 55% of the Series A Preferred Stock. The transactions contemplated by the Transaction Agreements, which are more fully described herein (the “Transactions”), are designed to increase the attractiveness of the Corporation to investors by facilitating the orderly transformation of our capital structure into a single class of Common Stock with greater market capitalization and enhanced liquidity, reducing the overhang on our stock price caused by the concentration of our equity ownership, and mitigating negative impacts of an unplanned automatic conversion of the Series A Preferred Stock.

As part of the Transactions, we are amending the Certificate of Designations (as amended, the “Second Amended and Restated Certificate of Designations”) to provide that, subject to the completion of the Series A Repurchases (as defined below), all shares of Series A Preferred Stock shall be converted into shares of Common Stock on a date prior to September 30, 2023. We currently expect the conversion to occur on or about June 12, 2023. This conversion will occur in a manner substantially similar to the mechanism for an

Automatic Conversion Event specified in the existing Certificate of Designations, except that the stock- and performance-based criteria for triggering an automatic conversion will be replaced with a trigger controlled by the Corporation, in order to cause a conversion of the Series A Preferred Stock at a predictable time prior to September 30, 2023. In addition, we have also amended the provisions related to the payment of accrued and unpaid dividends at the time of conversion, to pay an additional amount to all holders of Series A Preferred Stock that represents the dividends that would have accrued on the Series A Preferred Stock through September 30, 2023. Each of Centerbridge and Oaktree have consented to the adoption of the Second Amended and Restated Certificate of Designations, and accordingly, a majority of the shares of Series A Preferred Stock have consented to its adoption.

The Transactions also include the repurchase by the Corporation of 34,177,695 of the shares of Series A Preferred Stock held by Centerbridge and 35,530,024 of the shares of Series A Preferred Stock held by Oaktree (collectively, the “Series A Repurchases”). Each of Centerbridge and Oaktree has also agreed to reduce the number of members of our Board of Directors (the “Board”) that each is entitled to nominate from three to one, and to enter into lock-up agreements with respect to its shares of the Corporation’s equity securities, and to accept certain other limitations to its investor rights. As consideration for the Transactions as a whole, the Corporation has agreed to pay each of Centerbridge and Oaktree a purchase price per share equal to \$8.177 (or an aggregate purchase price of \$570 million). This purchase price was initially set at \$8.10 per share (the volume-weighted average price of the Common Stock for the five trading days ended April 11, 2023), and pursuant to the Transaction Agreements was adjusted to equal the volume-weighted average price of the Common Stock for the fifteen trading days following the public announcement of the Transactions, subject to a minimum price of \$7.875 and a maximum price of \$8.50. In addition, at the closing of the Series A Repurchases, each of Centerbridge and Oaktree will also be paid, for each repurchased share, an amount equal to any dividends or other amounts paid or payable on the shares of Series A Preferred Stock from the closing of the Series A Repurchases through the conversion, in the same type of consideration as will be paid to all other holders of Series A Preferred Stock.

For full provisions of the Second Amended and Restated Certificate of Designations, please see a copy of the Second Amended and Restated Certificate of Designations which is attached as [Appendix B-1](#). A copy of the Second Amended and Restated Certificate of Designations showing the changes from the Certificate of Designations, with deleted text shown in strikethrough and added text shown in bold and underlined, is attached as [Appendix B-2](#).

Summary of the Corporate Actions

On April 12, 2023, the adoption of the Second Amended and Restated Certificate of Designations, more fully described in the section entitled “*Amendment and Restatement of Certificate of Designations of the Series A Cumulative Convertible Preferred Stock*” below, was unanimously recommended by a committee consisting of the disinterested and independent members of our Board, being Daniel Ninivaggi, D’aun Norman, Robert Shanks and Julia Steyn (the “Preferred Conversion Committee”) for approval by our full Board, and was subsequently approved and declared advisable to holders of our Series A Preferred Stock by the Board pursuant to the Corporation’s Second Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”). On May 11, 2023, we had a total of 245,045,431 shares of Series A Preferred Stock issued and outstanding, of which 137,441,996 shares, or approximately 55.1% were beneficially owned by (i) Centerbridge Credit Partners Master, L.P. and Centerbridge Special Credit Partners III-Flex, L.P. (collectively, “Centerbridge”) and their affiliates, and (ii) Oaktree Value Opportunities Fund Holdings, L.P., OCM Opps GTM Holdings, LLC, Oaktree Phoenix Investment Fund LP and Oaktree Opportunities Fund Xb Holdings (Delaware) L.P. (collectively, “Oaktree”) and their affiliates (see “Security Ownership of Certain Beneficial Ownership and Management” below). On April 12, 2023, each of Centerbridge and Oaktree approved the actions set forth herein by written consent in lieu of a special meeting.

Voting Rights and Outstanding Shares

We are not seeking consent, authorizations or proxies from you. Following approval by the Board pursuant to the Certificate of Incorporation, under Section 228 of the DGCL, the written consent of the holders of

outstanding shares of Series A Preferred Stock having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted may be substituted for a meeting. Approval of the holders of at least a majority of outstanding Series A Preferred Stock entitled to vote thereon was required to approve the Second Amended and Restated Certificate of Designations. **This Information Statement constitutes the notice required by Section 228 of the DGCL.**

As of the Record Date, we had 245,045,431 shares of Series A Preferred Stock outstanding, each entitled to one (1) vote on the matter contemplated by this Information Statement. Holders of shares of the Common Stock are not entitled to vote or provide consents with respect to matters contemplated by this Information Statement.

Pursuant to the Certificate of Designations, holders of shares of Series A Preferred Stock are entitled to receive, when, as and if declared by the Disinterested Directors' Committee (as defined in the Certificate of Designations) out of funds legally available therefor, cumulative cash dividends at an annual rate of 11% on the stated amount per share plus the amount of any accrued and unpaid dividends on such share, accumulating daily and payable quarterly on January 1, April 1, July 1 and October 1, respectively, in each year. No cash dividends were declared or paid prior to October 2022. The Disinterested Directors' Committee has previously declared (i) a cash dividend of \$0.17 per share of Series A Preferred Stock on September 8, 2022, which was paid on October 3, 2022, (ii) a cash dividend of \$0.17 per share of Series A Preferred Stock on December 6, 2022, which was paid on January 3, 2023, and (iii) a cash dividend of \$0.17 per share of Series A Preferred Stock on March 8, 2023, which was paid on April 3, 2023. As a result, as of the Record Date, there were approximately \$187 million of unpaid cumulative preference dividends on the outstanding shares of Series A Preferred Stock.

Pursuant to Rule 14c-2 of the Exchange Act, the corporate actions set forth herein will not be adopted until a date at least twenty (20) calendar days after the date on which this Information Statement has been mailed to the holders of our Series A Preferred Stock. We anticipate that the actions contemplated herein will be effected on or about the close of business on or about June 6, 2023, when we file the Second Amended and Restated Certificate of Designations with the Secretary of State of the State of Delaware (the "Effective Date").

There are no rights of appraisal or similar rights of dissenters with respect to the Second Amended and Restated Certificate of Designations.

The entire cost of furnishing this Information Statement will be borne by the Corporation. We have asked or will ask brokers and other custodians, nominees and fiduciaries to forward this Information Statement to the beneficial owners of the Series A Preferred Stock held of record by such brokers and other custodians, nominees and fiduciaries and will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.

AMENDMENT AND RESTATEMENT OF CERTIFICATE OF DESIGNATIONS OF THE SERIES A CUMULATIVE CONVERTIBLE PREFERRED STOCK

The Board has unanimously proposed, approved and declared advisable, and, effective on the Record Date, the holders of approximately 55.1% of our outstanding shares of Series A Preferred Stock on the Record Date have approved, amending and restating the Certificate of Designations. The Second Amended and Restated Certificate of Designations is set forth in Appendix B-1. A copy of the Second Amended and Restated Certificate of Designations showing the changes from the Certificate of Designations, with deleted text shown in strikethrough and added text shown in bold and underlined, is attached as Appendix B-2. The Second Amended and Restated Certificate of Designations will become effective as of the Effective Date.

Background and Rationale

The Certificate of Designations for the Series A Preferred Stock currently provides for the automatic conversion of all shares of Series A Preferred Stock into shares of Common Stock following the occurrence of an Automatic Conversion Event. An Automatic Conversion Event may occur on a trading day at any time on or after April 30, 2023 on which:

- (i) the aggregate stated amount of all outstanding shares of the Corporation's Series B preferred stock, par value \$0.001 per share (the "Series B Preferred Stock"), is less than or equal to \$125 million,
- (ii) the Automatic Conversion Fair Market Value of the Common Stock (defined as the arithmetic average of the daily volume-weighted average price for the seventy-five (75) consecutive trading day period ending on and including such day) exceeds one hundred and fifty percent (150%) of the Conversion Price (which equals \$7.875 based on the current Conversion Price of \$5.25), and
- (iii) the Consolidated EBITDA (as defined in the Corporation's Credit Agreement) for the last twelve months ended as of the last day of each of the two most recent fiscal quarters is greater than or equal to \$600 million.

As of the date of this Information Statement, we have previously redeemed all shares of Series B Preferred Stock, and we may satisfy the Consolidated EBITDA threshold potentially as early as the second quarter of 2023. The only remaining condition for an Automatic Conversion Event would be the achievement of a 75-day VWAP of greater than \$7.875 on the Common Stock. The 75-day VWAP as of April 12, 2023 was \$8.2941. Although there can be no certainty due to the price volatility of our Common Stock, an Automatic Conversion Event could occur early in the third quarter of 2023.

Historically, the stock price of our Common Stock has been volatile. Our stock price has been negatively affected by the small capitalization of the Corporation, illiquidity in the market and external events, like the Ukraine war and the COVID-19 pandemic. There can be no assurance if or when we will meet the 75-day VWAP condition to trigger an Automatic Conversion Event. If an Automatic Conversion Event were not to occur, the significant benefits to holders of our Common Stock of an Automatic Conversion Event could be delayed for an indefinite period. Furthermore, the uncertainty of the timing of an Automatic Conversion Event, and the possibility that an Automatic Conversion Event may occur without sufficient advance notice, impede our ability to develop and execute plans for an orderly transition of our capital structure and to mitigate the immediate consequences to holders of Common Stock of an Automatic Conversion Event, such as dilution, market overhang and stock price volatility.

During 2022, the Board tasked management of the Corporation with the development of a capital allocation framework, and regularly considered, with the input of management, the advisability of taking action with respect to the Series A Preferred Stock. On February 16, 2023, our Board established the Preferred Conversion Committee, comprised of Daniel Ninivaggi, D'aun Norman, Robert Shanks and Julia Steyn, each of whom is disinterested and independent with respect to the Series A Preferred Stock, to engage in an evaluation of potential options available to the Corporation to appropriately manage the conversion of the Series A Preferred Stock into shares of Common Stock and the impacts of such conversion on the market for, and the interests of the holders

of, the Common Stock. From February 16, 2023 to and including April 12, 2023, the Preferred Conversion Committee met fourteen times, and conducted separate negotiations with each of Centerbridge and Oaktree in which each was represented by separate counsel. In evaluating the Transactions and their potential impacts on the holders of the Corporation's equity securities, the Preferred Conversion Committee was assisted with respect to corporate finance matters by J.P. Morgan Securities LLC acting as advisor and with respect to legal matters by Morris, Nichols, Arsht & Tunnell LLP and Paul, Weiss, Rifkind, Wharton & Garrison LLP, and the Corporation was assisted with respect to corporate finance matters by Morgan Stanley & Co. LLC acting as financial advisor.

The Preferred Conversion Committee evaluated and, on April 12, 2023, recommended that the full Board approve the Transactions, and on April 12, 2023, the Board approved the Transactions. After careful evaluation of the Transactions, both the Preferred Conversion Committee and the Board determined that the Transaction Agreements and the transactions contemplated thereby are fair to and in the best interests of the Corporation and the holders of Common Stock.

We believe that the Transactions will increase the attractiveness of the Corporation to investors. The conversion of all shares of Series A Preferred Stock into shares of Common Stock will result in the simplification of the Corporation's capital structure into a single class of equity with a larger market capitalization and enhanced liquidity, facilitating the Corporation's transition to a diversified stockholder base with meaningful long-term institutional ownership and enabling us to engage more effectively with the investment community. It will also eliminate the cumulative annual 11% preference dividend that continues to accrue on the currently outstanding shares of Series A Preferred Stock, enabling the redeployment by the Corporation of approximately \$100 million in net cash flow annually for other purposes such as further investments in organic and inorganic growth, the repayment of debt and the return of capital to the Corporation's stockholders. The Series A Repurchases will reduce Centerbridge's equity ownership of the Corporation from approximately 22% to approximately 15% on a fully diluted basis, and reduce Oaktree's equity ownership of the Corporation from approximately 23% to approximately 15% on an as-converted basis, excluding the impact of dilutive securities and any payment of the aggregate accumulated dividend. Reducing the concentrated equity ownership of the Corporation will facilitate the diversification and broadening of our investor base. Additionally, the lock-up agreements on shares held by Centerbridge and Oaktree should help to reduce volatility in the price of the Common Stock following the conversion of the Series A Preferred Stock, and will facilitate the orderly development of a broader stockholder base. We expect that the significant limitations on the governance rights of Centerbridge and Oaktree will accelerate our transition to an investor base more typical of a publicly traded corporation with a large market capitalization. Finally, the fact that all of these steps are being taken as part of a single set of integrated transactions in an orderly manner will allow our stockholders to experience the benefits of a conversion of the Series A Preferred Stock, without the negative consequences of such conversion occurring in an unplanned or potentially disorganized manner as permitted by the current Certificate of Designations.

The Transactions

To facilitate the Transactions, the Corporation entered into the Transaction Agreements with each of Centerbridge and Oaktree. The Transactions include the following steps:

- *Conversion of Series A Preferred Stock.* As part of the Transactions, the Corporation has adopted, and Centerbridge and Oaktree have irrevocably consented to the adoption of, the Second Amended and Restated Certificate of Designations, as described below. Following the completion of the Series A Repurchases, the Corporation will trigger the conversion of all shares of Series A Preferred Stock into shares of Common Stock, pursuant to the Second Amended and Restated Certificate of Designations. The Corporation expects that this conversion will occur on or about June 12, 2023.

Upon the conversion, each holder of Series A Preferred Stock will receive one share of Common Stock for each share of Series A Preferred Stock then held. Additionally, each holder of Series A Preferred Stock will also receive, for each share of Series A Preferred Stock held as of the conversion:

- \$0.17 per share of Series A Preferred Stock, representing the preference dividends that will accrue on the Series A Preferred Stock from April 1, 2023 through June 30, 2023; *plus*

- Approximately \$0.6835 per share of Series A Preferred Stock, representing other accrued and unpaid preference dividends on the Series A Preferred Stock; *plus*
- \$0.144375 per share of Series A Preferred Stock, representing the preference dividends that would have accrued on the Series A Preferred Stock from July 1, 2023 through September 30, 2023.

Other than the preference dividend that would have accrued through September 30, 2023, which will be paid in cash, these amounts may be paid to all holders of Series A Preferred Stock in cash or a combination of cash and stock, at the election of the Corporation, and any stock issued will be valued at the adjusted purchase price paid to Centerbridge and Oaktree.

Series A Repurchases. Using a portion of the proceeds of the \$700 million term loan financing described below, the Corporation will repurchase approximately \$280 million of shares of Series A Preferred Stock from Centerbridge and approximately \$290 million of shares of Series A Preferred Stock from Oaktree (together, the “Series A Repurchases”). The Corporation will pay to each of Centerbridge and Oaktree a cash purchase price initially set at \$8.10 per repurchased share (the volume-weighted average price of the Common Stock for the five trading days ended April 11, 2023), subject to an adjustment equal to the volume-weighted average price of the Common Stock for the fifteen trading days following the public announcement of the Transactions, with a minimum price of \$7.875 and a maximum price of \$8.50.

In addition, pursuant to the Transaction Agreements, at the closing of the Series A Repurchases, each of Centerbridge and Oaktree will also be entitled to receive, for each repurchased share, an amount equal to any dividends or other amounts paid or payable on the shares of Series A Preferred Stock from the closing of the Series A Repurchases through the conversion of the Series A Preferred Stock, in the same type of consideration as will be paid to all other holders of Series A Preferred Stock.

- *Reduction in Governance Rights.* Following the Series A Repurchases, each of Centerbridge and Oaktree will correspondingly reduce their existing governance rights. This will include a reduction in the number of directors that each of Centerbridge and Oaktree is entitled to nominate to the Board pursuant to the existing Series A Investor Rights Agreement, dated as of April 30, 2021, by and among the Corporation and the investors party thereto, from 3 to 1. Each of Centerbridge and Oaktree will cease to have the right to appoint any directors to our Board once its and its affiliates’ respective ownership decreases below 10% (on an as-converted basis).
- *Lock-up.* Each of Centerbridge and Oaktree has agreed to lock-up provisions with respect to the shares of the Corporation’s equity securities that they and their affiliates beneficially own. The lock-up provisions will restrict each of Centerbridge and Oaktree from transferring or disposing (directly or indirectly) of any of its shares, entering into certain transactions that transfer or dispose of its economic or other interests in such shares, or publicly disclosing any intention to do either for the foregoing. The lock-up restrictions will be released with respect to 50% of the shares beneficially owned by each of Centerbridge and Oaktree and each of their respective affiliates on the date that is six (6) months from the earlier to occur of (x) the completion of the Series A Repurchases and (y) 45 days from the execution of the Transaction Agreements (the “Lock-Up Trigger Date”), and with respect to all of the shares beneficially owned by each of Centerbridge and Oaktree and each of their respective affiliates on the date that is twelve (12) months from the Lock-Up Trigger Date. The lock-up restrictions are subject to exceptions, including transfers made with the prior written consent of the Corporation (and the approval of the Preferred Conversion Committee), as well as customary exceptions for transfers in connections with tender offers and certain other fundamental transactions, and the grant of proxies in connection with annual or special meetings of the Corporation.
- *Investor Rights and Limitations.* Each of Centerbridge and Oaktree has agreed to other limitations on its investor rights, which include, among other things, agreements (i) not to acquire beneficial ownership of additional shares of the Corporation’s equity securities if it would result in either Centerbridge or Oaktree and each of their respective controlled affiliates beneficially owning more than 15% of the outstanding voting securities of the Corporation (on an as-converted basis), and (ii) to

vote any shares held in excess of 18% in the manner voted by holders who beneficially own less than 18% of the Corporation's equity securities (as adjusted in certain circumstances). These limitations will continue to apply to each of Centerbridge and Oaktree until the earliest to occur of the 18-month anniversary of the date of the Transaction Agreement, the commencement of an unsolicited tender offer for a majority of the voting securities of the Corporation, or any insolvency or bankruptcy of the Corporation.

- *Share Repurchase Program.* Contemporaneous with the Transactions, the Disinterested Directors Committee of the Board approved, and the Board ratified, an increase in the Corporation's share repurchase program (the "Share Repurchase Program"), to an aggregate amount of \$250 million available as of April 12, 2023. The Corporation may purchase shares of Series A Preferred Stock or Common Stock through the Share Repurchase Program on a discretionary basis in open market transactions, privately negotiated purchases and other transactions from time to time, on terms satisfactory to the Preferred Conversion Committee in its reasonable discretion. The Share Repurchase Program expires on November 15, 2023, but may be extended, earlier terminated or modified by the Board at any time. Pursuant to the Transaction Agreements, neither Centerbridge nor Oaktree may sell or tender securities that are subject to the lock-up provisions thereof in any transaction that is part of the Share Repurchase Program, without the prior written consent of the Preferred Conversion Committee. The Board has delegated to the Preferred Conversion Committee the authority to make all determinations with respect to the Share Repurchase Program (other than increases in the maximum amount of shares that may be purchased pursuant to the Share Repurchase Program) until the completion of the conversion of the Series A Preferred Stock.
- *Debt Financing.* In order to fund the Series A Repurchases and the Transactions, the Corporation agreed to use its commercially reasonable efforts to complete a debt financing (the "Debt Financing") in the amount of \$700 million, subject to reduction of up to 5% if the Preferred Conversion Committee determines in good faith that such reduction is in the best interests of the Corporation (as so reduced, the "Requisite Financing Amount"), on terms and conditions satisfactory to the Preferred Conversion Committee in its reasonable discretion. On April 27, 2023, the Corporation entered into an amendment to its existing Credit Agreement, dated as of April 30, 2021, by and between the Corporation, the subsidiary borrowers, and JPMorgan Chase Bank, N.A., as administrative agent and the lenders and issuing banks party thereto (as amended and restated from time to time, the "Credit Agreement"), to provide for, among other things (i) a new Tranche B term loan facility in an aggregate principal amount equal to \$700,000,000, which will be fully drawn as of the closing of the Series A Repurchases and will mature on April 30, 2028, with quarterly amortization payments totaling 7.50% per annum of the aggregate principal amount of the loan in each of the first two years following the Series A Repurchases, and totaling 10.00% per annum of the aggregate principal amount of the loan in each year thereafter until maturity, (ii) an amendment to the definition of a "Restricted Payment" to permit the payments contemplated by the Transaction Agreements, (iii) an increase in the aggregate revolving loan commitments by \$95,000,000 to an aggregate amount of \$569,750,000, (iv) an extension of the maturity date for the revolving credit facility by two years from April 30, 2026 to April 30, 2028 (or January 30, 2028 if any of the currently outstanding term loans or term loans under the new term facility remain outstanding as of its maturity), and (v) a replacement of the LIBOR interest rate options with SOFR-based interest rate options for dollar-denominated term loan borrowings.

The Transaction Agreements contain customary representations and warranties of the Corporation and each of Centerbridge and Oaktree. The closing of each Series A Repurchase under the Transaction Agreements is subject to completion of the Debt Financing on terms and conditions satisfactory to the Preferred Conversion Committee in its reasonable discretion, the substantially concurrent closing of the other Series A Repurchase, the effectiveness of the Second Amended and Restated Certificate of Designations, and other customary closing conditions. Pursuant to the Second Amended and Restated Certificate of Designations, the conversion of the Series A Preferred Stock into shares of Common Stock will be conditioned upon the closing of the Series A Repurchases. The Transaction Agreements may be terminated in certain circumstances by each of the

Corporation (with the prior approval of the Preferred Conversion Committee) and by each of Centerbridge and Oaktree, including if the Series A Repurchases have not occurred by September 15, 2023.

Pursuant to the Transaction Agreements, the Corporation will reimburse each of Centerbridge and Oaktree up to \$300,000 for its reasonable, documented fees and expenses incurred in connection with the preparation and negotiation of the Transaction Agreements and the consummation of the Transactions. The Corporation will reimburse each of Centerbridge and Oaktree up to \$2,500,000 for documented out-of-pocket legal expenses incurred in respect of any litigation arising out of the Transaction Agreements in the three years following the execution of the Transaction Agreements, except for any litigation brought against Centerbridge or Oaktree by their respective investors and equityholders. Centerbridge and Oaktree will be obligated to return any reimbursements in the event a court of competent jurisdiction finds that either party had engaged in fraud, gross negligence, willful misconduct, bad faith, a material breach of the Transaction Agreements or any conduct in respect of which a director would not be entitled to indemnification under the Delaware General Corporation Law in proportion to their relative fault.

If the Corporation amends, waives or grants any consent under one of the Transaction Agreements in the twelve (12) months from the date of execution, the Corporation will offer the same amendment, waiver or consent to the parties to the other Transaction Agreement.

Amendments

In order to facilitate the Transactions, the Second Amended and Restated Certificate of Designations establishes a new mechanism (in addition to the existing conversion mechanism triggered by the occurrence of an Automatic Conversion Event) pursuant to which each share of Series A Preferred Stock shall be converted into one share of Common Stock.

After the effectiveness of the Second Amended and Restated Certificate of Designations until September 30, 2023 (the “2023 Conversion Period”), the Second Amended and Restated Certificate of Designations suspends the potential occurrence of an “Automatic Conversion Event” (as defined therein), and instead requires the Corporation to cause a conversion of all shares of Series A Preferred Stock into shares of Common Stock if the Series A Repurchases have been completed (the “2023 Conversion”). If, during this period, the Series A Repurchases have occurred (the “2023 Conversion Condition”), the Corporation will be required to, within ten (10) business days of the occurrence of the 2023 Conversion Condition, deliver a notice to all holders of Series A Preferred Stock (the “2023 Conversion Notice”) indicating (i) that the 2023 Conversion Condition has been satisfied, (ii) the time and date on which the 2023 Conversion shall occur, which shall be any trading day selected at the sole discretion of the Corporation that is at least three (3) trading days following the delivery of the 2023 Conversion Notice, (iii) the Conversion Rate (as such term is defined in the Second Amended and Restated Certificate of Designations) that shall be in effect as of the date of the 2023 Conversion, which is currently one, and (iv) the form in which the Corporation has elected holders to receive any accrued and unpaid preference dividends on the Series A Preferred Stock in connection with the 2023 Conversion.

Under the terms of the Second Amended and Restated Certificate of Designations, upon the occurrence of the 2023 Conversion, each holder of Series A Preferred Stock will also receive an amount equal to the accrued and unpaid dividends on the Series A Preferred Stock plus an additional amount that represents the dividends on the Series A Preferred Stock that would have accrued through September 30, 2023 (collectively, the “2023 Conversion Additional Payment Amount”). The 2023 Conversion Additional Payment Amount may be paid in cash or a combination of cash and shares of Common Stock, except that at least \$0.144375 of the 2023 Conversion Additional Payment Amount per share of Series A Preferred Stock must be paid in cash. Any shares of Common Stock issued in payment of the 2023 Conversion Additional Payment Amount will be valued at \$8.177 per share, which is equal to the purchase price per share paid to Centerbridge and Oaktree in the Series A Repurchases. The 2023 Conversion Additional Payment Amount will be paid within ten (10) business days following the 2023 Conversion.

If the 2023 Conversion Condition has not occurred by the close of business on September 15, 2023, the Corporation will be required to send a notice to the holders of the outstanding Series A Preferred Stock, promptly following September 15, 2023, stating that the Corporation shall not cause a 2023 Conversion (a “2023 Conversion Termination Notice”). At and following the time that a 2023 Conversion Termination Notice is sent to holders of the outstanding Series A Preferred Stock, the provisions of the Second Amended and Restated Certificate of Designations establishing the 2023 Conversion shall have no further effect, and the provisions relating to the occurrence of an “Automatic Conversion Event” will be restored as if the Second Amended and Restated Certificate of Designations had not been adopted.

The Second Amended and Restated Certificate of Designations removes references to the Series B Preferred Stock, and reflects certain clerical and conforming revisions and clarifications, and does not change the Conversion Rate or the Conversion Price effective in connection with a 2023 Conversion.

U.S. Material Federal Income Tax Consequences

The Corporation does not expect the adoption of the Second Amended and Restated Certificate of Incorporation to constitute a taxable event for U.S. federal income tax purposes.

- (zzz) “Transaction Agreements” means (i) the Transaction Agreement, dated as of April 12, 2023, between the Corporation and Centerbridge Credit Partners Master, L.P. and Centerbridge Special Credit Partners III-Flex,

L.P., and (ii) the Transaction Agreement, dated as of April 12, 2023, between the Corporation and Oaktree Value Opportunities Fund Holdings, L.P., OCM Opps GTM Holdings, LLC, Oaktree Phoenix Investment Fund LP and Oaktree Opportunities Fund Xb Holdings (Delaware) L.P., in each case as amended, revised or otherwise modified from time to time.

(aaaa) “Trading Day” means a day on which (i) no Market Disruption Event occurs and (ii) trading in the Common Stock occurs on the Principal Exchange or, if the shares of Common Stock are not listed on a Principal Exchange, the Fallback Exchange; provided that if the Common Stock is not so listed or traded, then “Trading Day” means a Business Day.

Section 4. Dividends. The Series A shall not accrue any dividends except as provided in this Section 4.

(a) Preference Dividends. Holders of Series A shall be entitled to receive, when, as and if declared by the Disinterested Directors’ Committee out of funds legally available therefor, cumulative cash dividends at the annual rate of eleven percent (11%) of (x) the Stated Amount per share plus (y) the amount of any accrued and unpaid dividends on each such share as of the last Preference Dividend Payment Date (as defined below) (collectively, the “Preference Dividends”), accumulating on a daily basis and payable quarterly on January 1, April 1, July 1 and October 1, respectively, in each year (or, if any such date is not a Business Day, on the next succeeding Business Day, without any adjustment in the amount paid) (each, a “Preference Dividend Payment Date”) with respect to the period from and including the last Preference Dividend Payment Date (or the Effective Date, with respect to the first quarterly period) to and including the day preceding such respective dividend payment date (or portion thereof) (the “Preference Dividend Period”) to holders of record on the respective date, not more than sixty (60) nor less than ten (10) days preceding the Preference Dividend Payment Date, fixed for that purpose by the Disinterested Directors’ Committee in advance of payment of each particular Preference Dividend. The amount of the Preference Dividend for each Preference Dividend Period (or portion thereof) will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Corporation shall not pay any additional interest, fee, penalty or other amount in respect of any Preference Dividend that may be in arrears on the Series A. Notwithstanding the foregoing, the Disinterested Directors’ Committee shall not declare a Preference Dividend at any time when Consolidated EBITDA for the most recent four fiscal quarters for which financial statements of the Corporation are available is less than \$425,000,000. Preference Dividends shall accumulate whether or not (i) the Corporation has earnings; (ii) there are funds legally available for the payment of those dividends; or (iii) those dividends are authorized or declared.

(b) Participating Dividends. In addition to any cash dividends which may be declared and paid to Holders pursuant to Section 4(a), and except as permitted by Section 4(c)(x)(1), the Holders shall, as Holders of Series A, be entitled to such dividends paid and other Distributions made to the holders of Common Stock to the same extent as if such Holders had converted the Series A into Common Stock (without regard to any limitations on conversion herein or elsewhere) and, if applicable, had held such shares of Common Stock on the record date for such dividends and Distributions. Payments under the preceding sentence shall be made prior to or concurrently with the dividend or Distribution to the holders of Common Stock.

(c) Priority of Dividends. So long as any share of Series A remains outstanding, no dividend whatsoever shall be paid or declared and no Distribution shall be made on any class of Common Stock or any future class of Preferred Stock established hereafter by the Board of Directors (other than Dividend Parity Stock or Dividend Senior Stock) (collectively, referred to as the “Dividend Junior Stock”), other than a dividend payable solely in Dividend Junior Stock, and no shares of Dividend Junior Stock shall be purchased, redeemed or otherwise acquired for consideration by the Corporation, directly or indirectly (other than as a result of a reclassification of junior stock for or into junior stock, or the exchange or conversion of one share of Dividend Junior Stock for or into another share of Dividend Junior Stock, and other than through the use of the proceeds of a substantially contemporaneous sale of other shares of Dividend Junior Stock), unless (i) all cumulative accrued and unpaid Preference Dividends on all outstanding shares of Series A have been paid in full and the full dividend thereon for the then current Preference Dividend Period has been paid or declared and set aside for payment and (ii) all

prior redemption requirements with respect to Series A have been complied with; provided that the Disinterested Directors' Committee may declare or approve, and the Corporation may pay or make, a dividend or Distribution on any Dividend Junior Stock even if there are cumulative accrued and unpaid Preference Dividends that have not been paid in full or the full dividend for the then current Preference Dividend Period has not been paid or declared and set aside for payment, but only if (x) (1) such Distribution consists of the purchase, redemption or other acquisition by the Corporation of shares of Dividend Junior Stock for cash, or (2) the Holders shall also participate in such dividend or Distribution pursuant to Section 4(b), and (y) the full Board of Directors has ratified (in the case of clause (1), by the affirmative vote of at least two-thirds of the Board of Directors then in office, and in the case of clause (2), by the affirmative vote of a majority of the Board of Directors then in office) the Disinterested Directors' Committee's declaration or approval of such dividend or Distribution under clauses (1) or (2) above. For the avoidance of doubt, the declaration and payment of a dividend or making of any Distribution on any Dividend Junior Stock in which Holders shall participate pursuant to Section 4(b) in accordance with the foregoing proviso shall not obligate the Corporation to pay any Preference Dividends pursuant to Section 4(a). When Preference Dividends are not paid in full upon the shares of Series A and any future class of Preferred Stock established hereafter by the Board of Directors with the vote or written consent of a Majority In Interest, the terms of which expressly provide that such class ranks *pari passu* with the Series A as to rights to payment of dividends (collectively, referred to as the "Dividend Parity Stock"), all Preference Dividends declared upon shares of Series A and all dividends declared upon Dividend Parity Stock shall be declared *pro rata* so that the respective amounts of such dividends shall bear the same ratio to each other as all accrued but unpaid Preference Dividends per share on the shares of Series A and all accrued but unpaid dividends per share on all such Dividend Parity Stock bear to each other. Subject to the foregoing and subject to Section 4(b), the Corporation may pay such dividends (payable in cash, stock or otherwise) as may be declared by the Board of Directors on any Dividend Junior Stock from time to time out of any funds legally available therefor.

Section 5. Ranking. The Series A shall, with respect to the right to be paid the Liquidation Entitlement upon the occurrence of a Liquidation Event (as provided in Section 6 below), rank (i) senior to (A) all classes of Common Stock, and (B) any future class of Preferred Stock established hereafter by the Board of Directors (other than Liquidation Parity Stock or Liquidation Senior Stock established in accordance with Section 8(c)(i) or Section 8(c)(ii)) (the classes referred to in the foregoing clauses (A) through (B), collectively, referred to as the "Liquidation Junior Stock"), (ii) *pari passu* with any future class of Preferred Stock established hereafter by the Board of Directors in accordance with Section 8(c)(ii), the terms of which expressly provide that such class ranks *pari passu* with the Series A as to rights on the occurrence of a Liquidation Event (collectively, referred to as the "Liquidation Parity Stock") and (iii) junior to any future class of Preferred Stock established hereafter by the Board of Directors in accordance with Section 8(c)(i), the terms of which expressly provide that such class ranks senior to the Series A as to rights on the occurrence of a Liquidation Event (collectively, referred to as "Liquidation Senior Stock").

Section 6. Liquidation Event Rights.

(a) Payment of Aggregate Liquidation Entitlement. In the event of the occurrence of any Liquidation Event, before any Distribution or payment out of the assets of the Corporation may be made to or set aside for the holders of any Liquidation Junior Stock, the Holders of Series A will be entitled to receive out of the assets of the Corporation legally available for distribution to its stockholders an amount equal to the Aggregate Liquidation Entitlement. If, after payment of any liquidation preferences otherwise payable to holders of any Liquidation Senior Stock in respect of any Distribution upon the occurrence of a Liquidation Event, and subject to applicable Law, the assets of the Corporation are not sufficient to pay all Holders of Series A the Aggregate Liquidation Entitlement in full and to pay all holders of any Liquidation Parity Stock the amounts otherwise payable to such holders in respect of any Distributions upon the occurrence of a Liquidation Event (a "Liquidation Parity Stock Liquidation Preference"), then the amounts paid to the Holders of Series A and to the holders of all Liquidation Parity Stock shall be *pro rata* in accordance with the respective Aggregate Liquidation Entitlement and the Liquidation Parity Stock Liquidation Preferences of such Liquidation Parity Stock.

(b) Residual Distributions. If the Liquidation Entitlement has been paid in full to all Holders of Series A, all Liquidation Parity Stock Liquidation Preferences, if any, have been paid in full to all holders of any Liquidation Parity Stock, and all other applicable liquidation preferences have been paid to holders of Liquidation Junior Stock which is senior to the Common Stock with respect to rights upon the occurrence of a Liquidation Event, then holders of Common Stock shall be entitled to receive any and all assets remaining legally available for distribution to the Corporation's stockholders.

(c) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Certificate of Designations, the merger, consolidation or other business combination of the Corporation with or into any other corporation, including a transaction in which the Holders of Series A receive cash or property for their shares, or the sale, conveyance, lease, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the assets of the Corporation, shall not constitute a Liquidation Event.

Section 7. Conversion.

(a) Conversion at the Option of the Holders. Each share of Series A shall be convertible, at the option of the Holder thereof (a "Holder Conversion"), effective on January 1, April 1, July 1 and October 1 in each year (or, if any such date is not a Business Day, on the next succeeding Business Day, without any adjustment in the Additional Payment Amount), or on the third Business Day prior to a Redemption Date (provided, that the Corporation shall have received the Notice of Holder Conversion prior to the Close of Business on the Business Day prior to such Redemption Date) (any such date, the "Holder Conversion Date") into fully-paid, non-assessable shares of Common Stock at the Conversion Rate then in effect. In order to effectuate the Holder Conversion, the Holder must provide the Corporation a written notice of conversion in the form of Annex A hereto (the "Notice of Holder Conversion"). The Notice of Holder Conversion must be received by the Corporation (or, in the discretion of the Corporation, the transfer agent) no later than (A) with respect to any Holder Conversion Date scheduled to fall on January 1, April 1, July 1 or October 1 of any year, ten (10) Business Days prior to the applicable Holder Conversion Date or (B) with respect to any Holder Conversion Date falling on the third Business Day prior to a Redemption Date, prior to the Close of Business on the Business Day prior to such Redemption Date.

(b) Mechanics of Holder Conversion. A Holder of Series A that has validly effected a Notice of Holder Conversion shall be deemed to be the holder of record of the Common Stock issuable upon such conversion as of the applicable Holder Conversion Date, notwithstanding that certificates (if any) representing such shares of Series A shall not have been surrendered at the office of the Corporation, that notice from the Corporation shall not have been received by any Holder of record of shares of Series A, or that the certificates evidencing such shares of Common Stock shall not then be actually delivered to such Holder. In order to effect a Holder Conversion, a Holder shall deliver an original copy of the fully executed Notice of Holder Conversion to the transfer agent: Equiniti Trust Company, PO Box 64858 St Paul, MN 55164-0858, or such other address as the Corporation may specify for such purposes. Notwithstanding the foregoing, if beneficial interests in shares of Series A are held through DTC or any other similar facility, a copy of the Notice of Holder Conversion may be given by the applicable Holders of Series A at such time and in any manner permitted by such facility. Dividends payable on shares of Series A surrendered for conversion during the period from the Close of Business on any record date for the payment of a dividend on such shares to the opening of business on the date of payment of such dividend shall be payable to the holder of record of such shares as of such record date notwithstanding such conversion. Except as otherwise expressly set forth herein, no payment or adjustment shall be made upon any conversion of shares of Series A on account of any dividends accumulated on such shares or on account of any dividends accumulated on the shares of Common Stock issued upon such conversion.

(c) Automatic Conversion. Each share of Series A shall, on the third Trading Day following the date on which the Corporation delivers an Automatic Conversion Event Notice (the "Automatic Conversion Date") automatically be converted into fully-paid, non-assessable shares of Common Stock at the Conversion Rate then in effect on the Automatic Conversion Date, without any further action by the Holders of such shares and whether or not certificates representing such shares are surrendered to the Corporation or its transfer agent.

(d) Mechanics of Automatic Conversion. Within ten (10) Business Days following the occurrence of an Automatic Conversion Event, the Corporation shall deliver a notice to the Holders of outstanding Series A stating that an Automatic Conversion Event has occurred and stating the Conversion Rate in effect as of the Automatic Conversion Date (the "Automatic Conversion Event Notice"). On the Automatic Conversion Date, each Holder of Series A shall be deemed to be the holder of record of the Common Stock issuable upon such conversion, notwithstanding that the certificates (if any) representing such shares of Series A shall not have been surrendered at the office of the Corporation, that notice from the Corporation shall not have been received by any Holder of record of shares of Series A, or that the certificates evidencing such shares of Common Stock shall not then be actually delivered to such Holder. Dividends payable on shares of Series A surrendered for conversion during the period from the Close of Business on any record date for the payment of a dividend on such shares to the opening of business on the date of payment of such dividend shall be payable to the holder of record of such shares as of such record date notwithstanding such conversion. Except as otherwise expressly set forth herein, no payment or adjustment shall be made upon any conversion of shares of Series A on account of any dividends accrued on such shares or on account of any dividends accrued on the shares of Common Stock issued upon such conversion.

(e) Reservation of Shares, Etc. The Corporation shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, solely for the purpose of effecting the conversion of shares of Series A, the full number of shares of Common Stock that would then be deliverable upon the conversion of all shares of Series A then outstanding. If any shares of Common Stock required to be reserved for purposes of conversion of the Series A hereunder require registration with or approval of any governmental authority under any Federal or State law before such shares may be issued or freely transferred upon conversion, the Corporation will in good faith and as expeditiously as possible endeavor to cause such shares to be duly registered or approved as the case may be. If the Common Stock is quoted on the Nasdaq Global Select Market, New York Stock Exchange, or any other U.S. national securities exchange, the Corporation will, if permitted by the rules of such exchange, list and keep listed on such exchange, upon official notice of issuance, all shares of Common Stock issuable upon conversion of the Series A. Notwithstanding the foregoing, the reference to listing in the third sentence of this paragraph shall apply only when the Series A shall have become freely transferable under the federal securities laws.

(f) No Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of Series A. If a number of shares of Series A (evidenced by one or more certificates) shall be surrendered for conversion at one time by the same holder, the number of full shares issuable upon conversion thereof shall be computed on the basis of the aggregate number of shares of Series A being converted at such time by such holder. Instead of any fractional share of Common Stock that would otherwise be issuable to a holder upon conversion of any shares of Series A, the Corporation shall pay a cash adjustment in respect of such fractional share of Common Stock assuming each share of Common Stock has a value equal to the Additional Shares Fair Market Value.

(g) Adjustment of Conversion Price. In the event that outstanding shares of Common Stock shall be subdivided or split into a greater number of shares of Common Stock, the Conversion Price in effect at the opening of business on the day following the day upon which such subdivision becomes effective shall be proportionately reduced, and conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the Conversion Price in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately increased, such reduction or increase, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision or combination becomes effective. Notwithstanding the foregoing, the Corporation shall not make any adjustment to the Conversion Price if Holders of the Series A have the opportunity to participate, at the same time and upon the same terms as holders of Common Stock and solely as a result of holding Series A, in any transaction described in this Section 7(g), without having to convert their shares of Series A, as if they held a number of shares of Common Stock issuable to such Holder at the Conversion Price.

(h) Calculation of Adjustments. All adjustments to the Conversion Price shall be calculated by the Corporation to the nearest 1/100th of a cent and all conversions based thereon shall be calculated by the Corporation to the nearest

1/10,000th of one share of Common Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment to the Conversion Price will be required unless such adjustment would require an increase or decrease to the Conversion Price of at least \$0.0100; provided, however, that any such adjustment that is not required to be made will be carried forward and taken into account in any subsequent adjustment; provided, further that any such adjustment of less than \$0.0100 that has not been made will be made upon any Holder Conversion Date, Automatic Conversion Date or 2023 Conversion Date or redemption or repurchase date.

(i) Successive Adjustments. After an adjustment to the Conversion Price under this Section 7, any subsequent event requiring an adjustment under this Section 7 shall cause an adjustment to each such Conversion Price as so adjusted.

(j) Reorganization Events. In the event of:

(i) any reclassification, statutory exchange, merger, consolidation or other similar business combination of the Corporation with or into another Person, in each case, pursuant to which at least a majority of the Common Stock is changed or converted into, or exchanged for, cash, securities or other property of the Corporation or another Person;

(ii) any sale, transfer, lease or conveyance to another Person of all or a majority of the property and assets of the Corporation, in each case pursuant to which the Common Stock is converted into cash, securities or other property; or

(iii) any statutory exchange of securities of the Corporation with another Person (other than in connection with a merger or acquisition) or reclassification, recapitalization or reorganization of the Common Stock into other securities;

other than, in each case, any such transaction that constitutes a Change of Control, with respect to which, for the avoidance of doubt, the provisions of Section 9 shall apply (each of which is referred to as a "Reorganization Event"), each share of Series A outstanding immediately prior to such Reorganization Event will, without the consent of the Holders and subject to Section 7(l) and Section 8(c), remain outstanding but shall become convertible into, out of funds legally available therefor, the number, kind and amount of securities, cash and other property (the "Exchange Property") (without any interest on such Exchange Property and without any right to dividends or distributions on such Exchange Property which have a record date that is prior to the applicable Holder Conversion Date, Automatic Conversion Date or 2023 Conversion Date) that the Holder of such share of Series A would have received in such Reorganization Event had such Holder converted its shares of Series A into the applicable number of shares of Common Stock immediately prior to the effective date of the Reorganization Event using the Conversion Price applicable immediately prior to the effective date of the Reorganization Event, assuming that the Corporation elected to issue Additional Shares in connection with such conversion and including such shares for the foregoing purposes; provided that the foregoing shall not apply if such Holder is a Person with which the Corporation consolidated or into which the Corporation merged or which merged into the Corporation or to which such sale or transfer was made, as the case may be (any such Person, a "Constituent Person"), to the extent such Reorganization Event provides for different treatment of Common Stock held by such Constituent Persons. If the kind or amount of securities, cash and other property receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by a Person (other than a Constituent Person), then for the purpose of this Section 7(j), the kind and amount of securities, cash and other property receivable upon conversion following such Reorganization Event will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock.

(k) Successive Reorganization Events. The above provisions of Section 7(j) shall similarly apply to successive Reorganization Events and the provisions of Section 7(g) shall apply to any shares of capital stock of the Corporation received by the holders of the Common Stock in any such Reorganization Event.

(l) Reorganization Event Agreements. The Corporation shall not enter into any agreement for a transaction constituting a Reorganization Event unless (i) such agreement provides for or does not interfere with or prevent (as applicable) conversion of the Series A into the Exchange Property in a manner that is consistent with and gives effect to Section 7(j), and (ii) to the extent that the Corporation is not the surviving corporation in such Reorganization Event or will be dissolved in connection with such Reorganization Event, proper provision shall be made in the agreements governing such Reorganization Event for the conversion of the Series A into stock of the Person surviving such Reorganization Event or such other continuing entity in such Reorganization Event.

(m) Notice of Adjustments. Whenever the Conversion Price is adjusted as herein provided, the Corporation shall prepare, and shall keep at the Corporation's principal offices, and shall make available to any Holder upon request, a statement showing in reasonable detail the facts requiring such adjustment and the Conversion Rate that shall be in effect after such adjustment, and the Corporation shall also cause a notice stating that the Conversion Price has been adjusted and setting forth the adjusted Conversion Price shall forthwith be required, and as soon as practicable after it is required such notice shall be mailed by the Corporation to all Holders of Series A, at their last addresses as they shall appear upon the stock transfer books of the Corporation.

(n) Additional Payment Amount; Additional Conversion Shares. Upon conversion of any share of Series A, the Holder thereof shall receive a payment in cash in an amount equal to the amount of cumulative unpaid Preference Dividends (whether or not authorized or declared) as of the Holder Conversion Date, Automatic Conversion Date or 2023 Conversion Date, as applicable (the "Additional Payment Amount"), plus, solely in the case of a 2023 Conversion, in addition to the Additional Payment Amount the Holder thereof shall receive a payment in cash equal to the 2023 Conversion Additional Payment Amount (together with the Additional Payment Amount, the "2023 Conversion Total Additional Payment Amount"); provided, that (i) in the case of a Holder Conversion or a conversion pursuant to Section 7(c), the Corporation may elect, in its sole discretion, in lieu of the payment of the Additional Payment Amount, to issue to such Holder an additional number of fully-paid, non-assessable shares of Common Stock equal to the Additional Payment Amount *divided by* the Additional Shares Fair Market Value as of the Holder Conversion Date or Automatic Conversion Date, as applicable (the "Additional Shares"), and (ii) in the case of a 2023 Conversion, the Preferred Conversion Committee may elect, in its sole discretion, in lieu of the payment of the 2023 Conversion Total Additional Payment Amount, to pay and/or issue, as applicable, to such Holder a combination of cash and an additional number of fully-paid, non-assessable shares of Common Stock (the "Partial Additional Shares"), where the *sum of* (x) the cash dividend payment, and (y) the Partial Additional Shares *multiplied by* \$8.177, equals the 2023 Conversion Total Additional Payment Amount, *provided*, that notwithstanding the foregoing, at least \$0.144375 of the 2023 Total Conversion Total Additional Payment Amount shall be paid in cash. The payment of the Additional Payment Amount or 2023 Conversion Total Additional Payment Amount or any cash dividend payment, and the issuance of the Additional Shares or the Partial Additional Shares, as applicable, shall be made on or before the tenth (10th) Business Day following the Automatic Conversion Date, the 2023 Conversion Date or the date on which the Notice of Holder Conversion is actually received by the Corporation, as applicable. The 2023 Conversion Additional Payment Amount shall mean a per share amount equal to (1) if the 2023 Conversion Date occurs prior to June 30, 2023, \$0.144375 *plus* an amount equal to the Preference Dividends that would have accrued on a share of Series A from the 2023 Conversion Date until and including June 30, 2023, (2) if the 2023 Conversion Date occurs on June 30, 2023, \$0.144375, and (3) if the 2023 Conversion Date occurs after June 30, 2023, \$0.144375 *minus* an amount equal to the Preference Dividends that accrued on a share of Series A from July 1, 2023 until and including the 2023 Conversion Date.

(o) 2023 Conversion.

(i) At any time on or prior to September 30, 2023, if the 2023 Conversion Condition shall have occurred, the Corporation shall cause all outstanding shares of Series A to convert into shares of Common Stock as described in Sections 7(o)(i) and (ii) (the "2023 Conversion"). No later than the tenth (10th) Business Day following the occurrence of the 2023 Conversion Condition, the Corporation shall send a notice to the Holders of outstanding Series A (the "2023 Conversion Notice") stating (i) that the 2023 Conversion Condition has occurred, (ii) the

time and date on which the Corporation intends to cause a 2023 Conversion, which date shall be any Trading Day that is (x) at least three (3) Trading Days following the date of a 2023 Conversion Notice and (y) on or prior to September 30, 2023 (such date, the “2023 Conversion Date”), (iii) the Conversion Rate that shall be in effect as of the 2023 Conversion Date, and (iv) whether the Corporation has made an election pursuant to Section 7(n) to pay to Holders the Additional Shares or the Partial Additional Shares in lieu of the Additional Payment Amount (or any portion thereof) in connection with the 2023 Conversion.

(ii) Each share of Series A shall, on the 2023 Conversion Date, automatically be converted into fully-paid, non-assessable shares of Common Stock at the Conversion Rate then in effect on the 2023 Conversion Date, without any further action by the Holders of such shares and whether or not certificates representing such shares are surrendered to the Corporation or its transfer agent.

(iii) If the 2023 Conversion Condition shall not have occurred by the close of business on September 15, 2023, the Corporation may not effect the 2023 Conversion and shall send a notice to Holders of Series A, promptly following September 15, 2023, stating that the Corporation shall not cause a 2023 Conversion (a “2023 Conversion Termination Notice”). At and after the time that a 2023 Conversion Termination Notice is sent to Holders of the outstanding Series A, Sections 7(o)(i) and (ii) shall have no further effect.

(p) Mechanics of 2023 Conversion. On the 2023 Conversion Date, each Holder of Series A shall be deemed to be the holder of record of the Common Stock issuable upon such conversion, notwithstanding that the certificates (if any) representing such shares of Series A shall not have been surrendered at the office of the Corporation, that notice from the Corporation shall not have been received by any Holder of record of shares of Series A, or that the certificates evidencing such shares of Common Stock shall not then be actually delivered to such Holder. Dividends payable on shares of Series A surrendered for conversion during the period from the Close of Business on any record date for the payment of a dividend on such shares to the opening of business on the date of payment of such dividend shall be payable to the holder of record of such shares as of such record date notwithstanding such conversion. Except as otherwise expressly set forth herein, no payment or adjustment shall be made upon any conversion of shares of Series A on account of any dividends accrued on such shares or on account of any dividends accrued on the shares of Common Stock issued upon such conversion.

Section 8. Voting Rights.

(a) General. The Holders of Series A will have no voting rights except as set forth below or in the Certificate of Incorporation or as otherwise required by law.

(b) Right to Vote with Holders of Common Stock. Subject to the other provisions of, and without limiting the other voting rights provided in, this Section 8, and except as provided in the Certificate of Incorporation or required by the Delaware General Corporation Law, the Holders will have the right to vote together as a single class with the holders of the Common Stock on each matter submitted for a vote or consent by the holders of the Common Stock, and, solely for these purposes, (i) the Series A of each Holder will entitle such Holder to cast a number of votes on such matter equal to the number of votes such Holder would have been entitled to cast if such Holder were the holder of record, as of the record date or, if there is no record date, other relevant date for such matter, of a number of shares of Common Stock equal to the whole number of shares of Common Stock that would be issuable upon conversion of such Series A assuming such Series A were converted in connection with an Automatic Conversion Event occurring on such record date or, if there is no record date, other relevant date; in each case assuming that the Corporation elected to issue Additional Shares in connection with such conversion and including such shares for the foregoing purposes (provided, that for the purposes of this Section 8(b), the number of Additional Shares shall not be greater than an amount equal to the Additional Payment Amount *divided by* \$1.00) and (ii) the Holders will be entitled to notice of all stockholder meetings or proposed actions by written consent in accordance with the Certificate of Incorporation, the Bylaws, and the Delaware General Corporation Law as if the Holders were holders of Common Stock. For the avoidance of doubt, no Holder of Series A will be treated as the holder of the shares of Common Stock issuable upon conversion of such Series A except as set out in Section 7.

(c) Other Voting Rights. So long as any shares of Series A are outstanding, in addition to any other vote or consent of stockholders required by law or by the Certificate of Incorporation, the approval of a Majority In Interest, voting as a class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be necessary for:

(i) effecting or validating any amendment, modification or alteration of the Certificate of Incorporation (whether by merger, consolidation or otherwise) to authorize or create, or increase the authorized amount of, any shares of any class or series or any securities convertible into shares of any class or series of capital stock of the Corporation ranking senior to or *pari passu* with Series A with respect to the payment of the Preference Dividend or payment of the Liquidation Entitlement upon the occurrence of a Liquidation Event;

(ii) any increase in the authorized number of shares of Series A, Dividend Parity Stock or Liquidation Parity Stock or issuance of shares of Series A, Dividend Parity Stock or Liquidating Parity Stock after the date hereof;

(iii) effecting or validating any amendment, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including this Certificate of Designations and any other certificate of designations of the Corporation) or Bylaws that would have an adverse effect on the rights, preferences, privileges or voting power of the Series A or the Holders thereof in any material respect; provided, that for the avoidance of doubt, any merger, consolidation, or similar transaction shall not be deemed to have such an adverse effect so long as (A) the Series A remains outstanding with the terms thereof materially unchanged or the holders of the Series A receive equity securities with rights, preferences, privileges and voting power substantially the same as those of the Series A, and (B) the provisions of the certificate of incorporation or bylaws (or equivalent governing documents) of the surviving entity or successor entity in such transaction do not differ from the Certificate of Incorporation or Bylaws in any manner that would have an adverse effect on the rights, preferences, privileges or voting power of the Series A or such replacement equity securities or the Holders thereof in any material respect; provided, further, to the extent that the Corporation duly consummated its Redemption rights in connection with a Change of Control pursuant to Section 9 prior to the occurrence of such Change of Control, the Holders shall not have voting rights hereunder in respect of any amendment, alteration or repeal relating to such transaction; or

(iv) any action or inaction that would reduce the Stated Amount of any share of Series A (including, but not limited to, any reverse stock split, combination, or other adjustment).

Section 9. Redemption at the Option of the Corporation.

(a) Generally. The Series A will not be redeemable by the Corporation except that, subject to the other terms of this Section 9, the Corporation may, at its election, redeem all but not less than all of the outstanding shares of Series A (i) at any time following April 30, 2027 or (ii) in connection with the consummation of a Change of Control, in either case on the applicable Redemption Date (the "Redemption") for a cash purchase price equal to the Stated Amount *plus* cumulative unpaid Preference Dividends (whether or not authorized or declared) as of the Redemption Date (the "Redemption Price").

(b) Redemption Prohibited in Certain Circumstances. The Corporation will not call for Redemption, or otherwise send a Redemption Notice in respect of the Redemption of, any Series A pursuant to this Section 9 unless the Corporation has sufficient funds legally available to fully pay the Redemption Price in respect of all shares of Series A called for Redemption.

(c) Redemption Date. The "Redemption Date" for any Change of Control will be a Business Day of the Corporation's choosing on or after the date that such Change of Control is consummated that is no more than sixty (60), nor less than ten (10), calendar days after the date the Corporation sends the related Redemption Notice pursuant to Section 9(d).

(d) **Redemption Notice.** Upon the election by the Corporation to call the Series A for Redemption pursuant to Section 9(a), the Corporation will send to each Holder a notice of such Redemption (a “**Redemption Notice**”). Such Redemption Notice must state:

(i) that the Series A has been called for Redemption;

~~(aaa)(sss)~~ “Trading Day” means a day on which (i) no Market Disruption Event occurs and (ii) trading in the Common Stock occurs on the Principal Exchange or, if the shares of Common Stock are not listed on a Principal Exchange, the Fallback Exchange; provided that if the Common Stock is not so listed or traded, then “Trading Day” means a Business Day.

Section 4. Dividends. The Series A shall not accrue any dividends except as provided in this Section 4.

(a) *Preference Dividends.* Holders of Series A shall be entitled to receive, when, as and if declared by the Disinterested Directors’ Committee out of funds legally available therefor, cumulative cash dividends at the annual rate of eleven percent (11%) of (x) the Stated Amount per share plus (y) the amount of any accrued and unpaid dividends on each such share as of the last Preference Dividend Payment Date (as defined below) (collectively, the “Preference Dividends”), accumulating on a daily basis and payable quarterly on January 1, April 1, July 1 and October 1, respectively, in each year (or, if any such date is not a Business Day, on the next succeeding Business Day, without any adjustment in the amount paid) (each, a “Preference Dividend Payment Date”) with respect to the period from and including the last Preference Dividend Payment Date (or the Effective Date, with respect to the first quarterly period) to and including the day preceding such respective dividend payment date (or portion thereof) (the “Preference Dividend Period”) to holders of record on the respective date, not more than sixty (60) nor less than ten (10) days preceding the Preference Dividend Payment Date, fixed for that purpose by the Disinterested Directors’ Committee in advance of payment of each particular Preference Dividend. The amount of the Preference Dividend for each Preference Dividend Period (or portion thereof) will be calculated on the basis of a 360-day year consisting of twelve 30-day months. The Corporation shall not pay any additional interest, fee, penalty or other amount in respect of any Preference Dividend that may be in arrears on the Series A. Notwithstanding the foregoing, the Disinterested Directors’ Committee shall not declare a Preference Dividend at any time when Consolidated EBITDA for the most recent four fiscal quarters for which financial statements of the Corporation are available is less than \$425,000,000. Preference Dividends shall accumulate whether or not (i) the Corporation has earnings; (ii) there are funds legally available for the payment of those dividends; or (iii) those dividends are authorized or declared.

(b) *Participating Dividends.* In addition to any cash dividends which may be declared and paid to Holders pursuant to Section 4(a), and except as permitted by Section 4(c)(x)(1), the Holders shall, as Holders of Series A, be entitled to such dividends paid and other Distributions made to the holders of Common Stock to the same extent as if such Holders had converted the Series A into Common Stock (without regard to any limitations on

conversion herein or elsewhere) and, if applicable, had held such shares of Common Stock on the record date for such dividends and Distributions. Payments under the preceding sentence shall be made prior to or concurrently with the dividend or Distribution to the holders of Common Stock.

(c) *Priority of Dividends.* So long as any share of Series A remains outstanding, no dividend whatsoever shall be paid or declared and no Distribution shall be made on any class of Common Stock or any future class of Preferred Stock established hereafter by the Board of Directors (other than Dividend Parity Stock or Dividend Senior Stock) (collectively, referred to as the “Dividend Junior Stock”), other than a dividend payable solely in Dividend Junior Stock, and no shares of Dividend Junior Stock shall be purchased, redeemed or otherwise acquired for consideration by the Corporation, directly or indirectly (other than as a result of a reclassification of junior stock for or into junior stock, or the exchange or conversion of one share of Dividend Junior Stock for or into another share of Dividend Junior Stock, and other than through the use of the proceeds of a substantially contemporaneous sale of other shares of Dividend Junior Stock), unless (i) all cumulative accrued and unpaid Preference Dividends on all outstanding shares of Series A have been paid in full and the full dividend thereon for the then current Preference Dividend Period has been paid or declared and set aside for payment and (ii) all prior redemption requirements with respect to Series A have been complied with; provided that the Disinterested Directors’ Committee may declare or approve, and the Corporation may pay or make, a dividend or Distribution on any Dividend Junior Stock even if there are cumulative accrued and unpaid Preference Dividends that have not been paid in full or the full dividend for the then current Preference Dividend Period has not been paid or declared and set aside for payment, but only if (x) (1) such Distribution consists of the purchase, redemption or other acquisition by the Corporation of shares of Dividend Junior Stock for cash, or (2) the Holders shall also participate in such dividend or Distribution pursuant to Section 4(b), and (y) the full Board of Directors has ratified (in the case of clause (1), by the affirmative vote of at least two-thirds of the Board of Directors then in office, and in the case of clause (2), by the affirmative vote of a majority of the Board of Directors then in office) the Disinterested Directors’ Committee’s declaration or approval of such dividend or Distribution under clauses (1) or (2) above. For the avoidance of doubt, the declaration and payment of a dividend or making of any Distribution on any Dividend Junior Stock in which Holders shall participate pursuant to Section 4(b) in accordance with the foregoing proviso shall not obligate the Corporation to pay any Preference Dividends pursuant to Section 4(a). When Preference Dividends are not paid in full upon the shares of Series A and any future class of Preferred Stock established hereafter by the Board of Directors with the vote or written consent of a Majority In Interest, the terms of which expressly provide that such class ranks *pari passu* with the Series A as to rights to payment of dividends (collectively, referred to as the “Dividend Parity Stock”), all Preference Dividends declared upon shares of Series A and all dividends declared upon Dividend Parity Stock shall be declared *pro rata* so that the respective amounts of such dividends shall bear the same ratio to each other as all accrued but unpaid Preference Dividends per share on the shares of Series A and all accrued but unpaid dividends per share on all such Dividend Parity Stock bear to each other. Subject to the foregoing and subject to Section 4(b), the Corporation may pay such dividends (payable in cash, stock or otherwise) as may be declared by the Board of Directors on any Dividend Junior Stock from time to time out of any funds legally available therefor.

Section 5. Ranking. The Series A shall, with respect to the right to be paid the Liquidation Entitlement upon the occurrence of a Liquidation Event (as provided in Section 6 below), rank (i) senior to (A) all classes of Common Stock, ~~and (B) the Series B, and (C)~~ any future class of Preferred Stock established hereafter by the Board of Directors (other than Liquidation Parity Stock or Liquidation Senior Stock established in accordance with Section 8(c)(i) or Section 8(c)(ii)) (the classes referred to in the foregoing clauses (A) through ~~(C)~~, collectively, referred to as the “Liquidation Junior Stock”), (ii) *pari passu* with any future class of Preferred Stock established hereafter by the Board of Directors in accordance with Section 8(c)(ii), the terms of which expressly provide that such class ranks *pari passu* with the Series A as to rights on the occurrence of a Liquidation Event (collectively, referred to as the “Liquidation Parity Stock”) and (iii) junior to any future class of Preferred Stock established hereafter by the Board of Directors in accordance with Section 8(c)(i), the terms of which expressly provide that such class ranks senior to the Series A as to rights on the occurrence of a Liquidation Event (collectively, referred to as “Liquidation Senior Stock”). ~~For the avoidance of doubt, this Section 5 shall not prohibit the Corporation from making any redemption payments on the Series B in accordance with the Series B Certificate of Designations.~~

Section 6. Liquidation Event Rights.

(a) Payment of Aggregate Liquidation Entitlement. In the event of the occurrence of any Liquidation Event, before any Distribution or payment out of the assets of the Corporation may be made to or set aside for the holders of any Liquidation Junior Stock, the Holders of Series A will be entitled to receive out of the assets of the Corporation legally available for distribution to its stockholders an amount equal to the Aggregate Liquidation Entitlement. If, after payment of any liquidation preferences otherwise payable to holders of any Liquidation Senior Stock in respect of any Distribution upon the occurrence of a Liquidation Event, and subject to applicable Law, the assets of the Corporation are not sufficient to pay all Holders of Series A the Aggregate Liquidation Entitlement in full and to pay all holders of any Liquidation Parity Stock the amounts otherwise payable to such holders in respect of any Distributions upon the occurrence of a Liquidation Event (a "Liquidation Parity Stock Liquidation Preference"), then the amounts paid to the Holders of Series A and to the holders of all Liquidation Parity Stock shall be *pro rata* in accordance with the respective Aggregate Liquidation Entitlement and the Liquidation Parity Stock Liquidation Preferences of such Liquidation Parity Stock.

(b) Residual Distributions. If the Liquidation Entitlement has been paid in full to all Holders of Series A, all Liquidation Parity Stock Liquidation Preferences, if any, have been paid in full to all holders of any Liquidation Parity Stock, and all other applicable liquidation preferences have been paid to holders of Liquidation Junior Stock which is senior to the Common Stock with respect to rights upon the occurrence of a Liquidation Event, then holders of Common Stock shall be entitled to receive any and all assets remaining legally available for distribution to the Corporation's stockholders.

(c) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Certificate of Designations, the merger, consolidation or other business combination of the Corporation with or into any other corporation, including a transaction in which the Holders of Series A receive cash or property for their shares, or the sale, conveyance, lease, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the assets of the Corporation, shall not constitute a Liquidation Event.

Section 7. Conversion.

(a) Conversion at the Option of the Holders. Each share of Series A shall be convertible, at the option of the Holder thereof (a "Holder Conversion"), effective on January 1, April 1, July 1 and October 1 in each year (or, if any such date is not a Business Day, on the next succeeding Business Day, without any adjustment in the Additional Payment Amount), or on the third Business Day prior to a Redemption Date (provided, that the Corporation shall have received the Notice of Holder Conversion prior to the Close of Business on the Business Day prior to such Redemption Date) (any such date, the "Holder Conversion Date") into fully-paid, non-assessable shares of Common Stock at the Conversion Rate then in effect. In order to effectuate the Holder Conversion, the Holder must provide the Corporation a written notice of conversion in the form of Annex A hereto (the "Notice of Holder Conversion"). The Notice of Holder Conversion must be received by the Corporation (or, in the discretion of the Corporation, the transfer agent) no later than (A) with respect to any Holder Conversion Date scheduled to fall on January 1, April 1, July 1 or October 1 of any year, ten (10) Business Days prior to the applicable Holder Conversion Date or (B) with respect to any Holder Conversion Date falling on the third Business Day prior to a Redemption Date, prior to the Close of Business on the Business Day prior to such Redemption Date.

(b) Mechanics of Holder Conversion. A Holder of Series A that has validly effected a Notice of Holder Conversion shall be deemed to be the holder of record of the Common Stock issuable upon such conversion as of the applicable Holder Conversion Date, notwithstanding that certificates (if any) representing such shares of Series A shall not have been surrendered at the office of the Corporation, that notice from the Corporation shall not have been received by any Holder of record of shares of Series A, or that the certificates evidencing such shares of Common Stock shall not then be actually delivered to such Holder. In order to effect a Holder Conversion, a Holder shall deliver an original copy of the fully executed Notice of Holder Conversion to the transfer agent: Equiniti Trust Company, PO Box 64858 St Paul, MN 55164-0858, or such other address as the

Corporation may specify for such purposes. Notwithstanding the foregoing, if beneficial interests in shares of Series A are held through DTC or any other similar facility, a copy of the Notice of Holder Conversion may be given by the applicable Holders of Series A at such time and in any manner permitted by such facility. Dividends payable on shares of Series A surrendered for conversion during the period from the Close of Business on any record date for the payment of a dividend on such shares to the opening of business on the date of payment of such dividend shall be payable to the holder of record of such shares as of such record date notwithstanding such conversion. Except as otherwise expressly set forth herein, no payment or adjustment shall be made upon any conversion of shares of Series A on account of any dividends accumulated on such shares or on account of any dividends accumulated on the shares of Common Stock issued upon such conversion.

(c) Automatic Conversion. Each share of Series A shall, on the third Trading Day following the date on which the Corporation delivers an Automatic Conversion Event Notice (the "Automatic Conversion Date") automatically be converted into fully-paid, non-assessable shares of Common Stock at the Conversion Rate then in effect on the Automatic Conversion Date, without any further action by the Holders of such shares and whether or not certificates representing such shares are surrendered to the Corporation or its transfer agent.

(d) Mechanics of Automatic Conversion. Within ten (10) Business Days following the occurrence of an Automatic Conversion Event, the Corporation shall deliver a notice to the Holders of outstanding Series A stating that an Automatic Conversion Event has occurred and stating the Conversion Rate in effect as of the Automatic Conversion Date (the "Automatic Conversion Event Notice"). On the Automatic Conversion Date, each Holder of Series A shall be deemed to be the holder of record of the Common Stock issuable upon such conversion, notwithstanding that the certificates (if any) representing such shares of Series A shall not have been surrendered at the office of the Corporation, that notice from the Corporation shall not have been received by any Holder of record of shares of Series A, or that the certificates evidencing such shares of Common Stock shall not then be actually delivered to such Holder. Dividends payable on shares of Series A surrendered for conversion during the period from the Close of Business on any record date for the payment of a dividend on such shares to the opening of business on the date of payment of such dividend shall be payable to the holder of record of such shares as of such record date notwithstanding such conversion. Except as otherwise expressly set forth herein, no payment or adjustment shall be made upon any conversion of shares of Series A on account of any dividends accrued on such shares or on account of any dividends accrued on the shares of Common Stock issued upon such conversion.

(e) Reservation of Shares, Etc. The Corporation shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, solely for the purpose of effecting the conversion of shares of Series A, the full number of shares of Common Stock that would then be deliverable upon the conversion of all shares of Series A then outstanding. If any shares of Common Stock required to be reserved for purposes of conversion of the Series A hereunder require registration with or approval of any governmental authority under any Federal or State law before such shares may be issued or freely transferred upon conversion, the Corporation will in good faith and as expeditiously as possible endeavor to cause such shares to be duly registered or approved as the case may be. If the Common Stock is quoted on the Nasdaq Global Select Market, New York Stock Exchange, or any other U.S. national securities exchange, the Corporation will, if permitted by the rules of such exchange, list and keep listed on such exchange, upon official notice of issuance, all shares of Common Stock issuable upon conversion of the Series A. Notwithstanding the foregoing, the reference to listing in the third sentence of this paragraph shall apply only when the Series A shall have become freely transferable under the federal securities laws.

(f) No Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of Series A. If a number of shares of Series A (evidenced by one or more certificates) shall be surrendered for conversion at one time by the same holder, the number of full shares issuable upon conversion thereof shall be computed on the basis of the aggregate number of shares of Series A being converted at such time by such holder. Instead of any fractional share of Common Stock that would otherwise be issuable to a holder upon conversion of any shares of Series A, the Corporation shall pay a cash adjustment in respect of such fractional share of Common Stock assuming each share of Common Stock has a value equal to the Additional Shares Fair Market Value.

(g) Adjustment of Conversion Price. In the event that outstanding shares of Common Stock shall be subdivided or split into a greater number of shares of Common Stock, the Conversion Price in effect at the opening of business on the day following the day upon which such subdivision becomes effective shall be proportionately reduced, and conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the Conversion Price in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately increased, such reduction or increase, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision or combination becomes effective. Notwithstanding the foregoing, the Corporation shall not make any adjustment to the Conversion Price if Holders of the Series A have the opportunity to participate, at the same time and upon the same terms as holders of Common Stock and solely as a result of holding Series A, in any transaction described in this Section 7(g), without having to convert their shares of Series A, as if they held a number of shares of Common Stock issuable to such Holder at the Conversion Price.

(h) Calculation of Adjustments. All adjustments to the Conversion Price shall be calculated by the Corporation to the nearest 1/100th of a cent and all conversions based thereon shall be calculated by the Corporation to the nearest 1/10,000th of one share of Common Stock (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment to the Conversion Price will be required unless such adjustment would require an increase or decrease to the Conversion Price of at least \$0.0100; provided, however, that any such adjustment that is not required to be made will be carried forward and taken into account in any subsequent adjustment; provided, further that any such adjustment of less than \$0.0100 that has not been made will be made upon any Holder Conversion Date ~~or~~, Automatic Conversion Date or 2023 Conversion Date or redemption or repurchase date.

(i) Successive Adjustments. After an adjustment to the Conversion Price under this Section 7, any subsequent event requiring an adjustment under this Section 7 shall cause an adjustment to each such Conversion Price as so adjusted.

(j) Reorganization Events. In the event of:

(i) any reclassification, statutory exchange, merger, consolidation or other similar business combination of the Corporation with or into another Person, in each case, pursuant to which at least a majority of the Common Stock is changed or converted into, or exchanged for, cash, securities or other property of the Corporation or another Person;

(ii) any sale, transfer, lease or conveyance to another Person of all or a majority of the property and assets of the Corporation, in each case pursuant to which the Common Stock is converted into cash, securities or other property; or

(iii) any statutory exchange of securities of the Corporation with another Person (other than in connection with a merger or acquisition) or reclassification, recapitalization or reorganization of the Common Stock into other securities;

other than, in each case, any such transaction that constitutes a Change of Control, with respect to which, for the avoidance of doubt, the provisions of Section 9 shall apply (each of which is referred to as a "Reorganization Event"), each share of Series A outstanding immediately prior to such Reorganization Event will, without the consent of the Holders and subject to ~~Section 7(h)~~Section 7(l) and Section 8(c), remain outstanding but shall become convertible into, out of funds legally available therefor, the number, kind and amount of securities, cash and other property (the "Exchange Property") (without any interest on such Exchange Property and without any right to dividends or distributions on such Exchange Property which have a record date that is prior to the applicable Holder Conversion Date ~~or~~, Automatic Conversion Date or 2023 Conversion Date) that the Holder of such share of Series A would have received in such Reorganization Event had such Holder converted its shares of Series A into the applicable number of shares of Common Stock immediately prior to the effective date of the Reorganization Event using the Conversion Price applicable immediately prior to the effective date of the

Reorganization Event, assuming that the Corporation elected to issue Additional Shares in connection with such conversion and including such shares for the foregoing purposes; provided that the foregoing shall not apply if such Holder is a Person with which the Corporation consolidated or into which the Corporation merged or which merged into the Corporation or to which such sale or transfer was made, as the case may be (any such Person, a “Constituent Person”), to the extent such Reorganization Event provides for different treatment of Common Stock held by such Constituent Persons. If the kind or amount of securities, cash and other property receivable upon such Reorganization Event is not the same for each share of Common Stock held immediately prior to such Reorganization Event by a Person (other than a Constituent Person), then for the purpose of this Section 7(j), the kind and amount of securities, cash and other property receivable upon conversion following such Reorganization Event will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock.

(k) Successive Reorganization Events. The above provisions of Section 7(j) shall similarly apply to successive Reorganization Events and the provisions of Section 7(g) shall apply to any shares of capital stock of the Corporation received by the holders of the Common Stock in any such Reorganization Event.

(l) Reorganization Event Agreements. The Corporation shall not enter into any agreement for a transaction constituting a Reorganization Event unless (i) such agreement provides for or does not interfere with or prevent (as applicable) conversion of the Series A into the Exchange Property in a manner that is consistent with and gives effect to Section 7(j), and (ii) to the extent that the Corporation is not the surviving corporation in such Reorganization Event or will be dissolved in connection with such Reorganization Event, proper provision shall be made in the agreements governing such Reorganization Event for the conversion of the Series A into stock of the Person surviving such Reorganization Event or such other continuing entity in such Reorganization Event.

(m) Notice of Adjustments. Whenever the Conversion Price is adjusted as herein provided, the Corporation shall prepare, and shall keep at the Corporation’s principal offices, and shall make available to any Holder upon request, a statement showing in reasonable detail the facts requiring such adjustment and the Conversion Rate that shall be in effect after such adjustment, and the Corporation shall also cause a notice stating that the Conversion Price has been adjusted and setting forth the adjusted Conversion Price shall forthwith be required, and as soon as practicable after it is required such notice shall be mailed by the Corporation to all Holders of Series A, at their last addresses as they shall appear upon the stock transfer books of the Corporation.

(n) Additional Payment Amount; Additional Conversion Shares. Upon conversion of any share of Series A, the Holder thereof shall receive a payment in cash in an amount equal to the amount of cumulative unpaid Preference Dividends (whether or not authorized or declared) as of the Holder Conversion Date ~~or, Automatic~~ Conversion Date or 2023 Conversion Date, as applicable (the “Additional Payment Amount”); ~~provided, that, plus, solely in the case of a 2023 Conversion, in addition to the Additional Payment Amount the Holder thereof shall receive a payment in cash equal to the 2023 Conversion Additional Payment Amount (together with the Additional Payment Amount, the “2023 Conversion Total Additional Payment Amount”); provided, that (i) in the case of a Holder Conversion or a conversion pursuant to Section 7(c),~~ the Corporation may elect, in its sole discretion, in lieu of the payment of the Additional Payment Amount, to issue to such Holder an additional number of fully-paid, non-assessable shares of Common Stock equal to the Additional Payment Amount ~~divided by the lesser of (i) the Additional Shares Fair Market Value and (ii) the fair market value of the Common Stock at the time of such conversion as determined in good faith by the Board of Directors~~ as of the Holder Conversion Date or Automatic Conversion Date, as applicable (the “Additional Shares”), and (ii) in the case of a 2023 Conversion, the Preferred Conversion Committee may elect, in its sole discretion, in lieu of the payment of the 2023 Conversion Total Additional Payment Amount, to pay and/or issue, as applicable, to such Holder a combination of cash and an additional number of fully-paid, non-assessable shares of Common Stock (the “Partial Additional

Shares”), where the *sum of* (x) the cash dividend payment, and (y) the Partial Additional Shares multiplied by \$8.177, equals the 2023 Conversion Total Additional Payment Amount, *provided*, that notwithstanding the foregoing, at least \$0.144375 of the 2023 Conversion Total Additional Payment Amount shall be paid in cash. The payment of the Additional Payment Amount, or 2023 Conversion Total Additional Payment Amount or any cash dividend payment, and the issuance of the Additional Shares or the Partial Additional Shares, as applicable, shall be made on or before the tenth (10th) Business Day following the Automatic Conversion Date, the 2023 Conversion Date or the date on which the Notice of Holder Conversion is actually received by the Corporation, as applicable. The 2023 Conversion Additional Payment Amount shall mean a per share amount equal to (1) if the 2023 Conversion Date occurs prior to June 30, 2023, \$0.144375 plus an amount equal to the Preference Dividends that would have accrued on a share of Series A from the 2023 Conversion Date until and including June 30, 2023, (2) if the 2023 Conversion Date occurs on June 30, 2023, \$0.144375, and (3) if the 2023 Conversion Date occurs after June 30, 2023, \$0.144375 minus an amount equal to the Preference Dividends that accrued on a share of Series A from July 1, 2023 until and including the 2023 Conversion Date.

(o) 2023 Conversion.

(i) At any time on or prior to September 30, 2023, if the 2023 Conversion Condition shall have occurred, the Corporation shall cause all outstanding shares of Series A to convert into shares of Common Stock as described in Sections 7(o)(i) and (ii) (the “2023 Conversion”). No later than the tenth (10th) Business Day following the occurrence of the 2023 Conversion Condition, the Corporation shall send a notice to the Holders of outstanding Series A (the “2023 Conversion Notice”) stating (i) that the 2023 Conversion Condition has occurred, (ii) the time and date on which the Corporation intends to cause a 2023 Conversion, which date shall be any Trading Day that is (x) at least three (3) Trading Days following the date of a 2023 Conversion Notice and (y) on or prior to September 30, 2023 (such date, the “2023 Conversion Date”), (iii) the Conversion Rate that shall be in effect as of the 2023 Conversion Date, and (iv) whether the Corporation has made an election pursuant to Section 7(n) to pay to Holders the Additional Shares or the Partial Additional Shares in lieu of the Additional Payment Amount (or any portion thereof) in connection with the 2023 Conversion.

(ii) Each share of Series A shall, on the 2023 Conversion Date, automatically be converted into fully-paid, non-assessable shares of Common Stock at the Conversion Rate then in effect on the 2023 Conversion Date, without any further action by the Holders of such shares and whether or not certificates representing such shares are surrendered to the Corporation or its transfer agent.

(iii) If the 2023 Conversion Condition shall not have occurred by the close of business on September 15, 2023, the Corporation may not effect the 2023 Conversion and shall send a notice to Holders of Series A, promptly following September 15, 2023, stating that the Corporation shall not cause a 2023 Conversion (a “2023 Conversion Termination Notice”). At and after the time that a 2023 Conversion Termination Notice is sent to Holders of the outstanding Series A, Sections 7(o)(i) and (ii) shall have no further effect.

(p) Mechanics of 2023 Conversion. On the 2023 Conversion Date, each Holder of Series A shall be deemed to be the holder of record of the Common Stock issuable upon such conversion, notwithstanding that the certificates (if any) representing such shares of Series A shall not have been surrendered at the office of the Corporation, that notice from the Corporation shall not have been received by any Holder of record of shares of Series A, or that the certificates evidencing such shares of Common Stock shall not then be actually delivered to such Holder. Dividends payable on shares of Series A surrendered for conversion during the period from the Close of Business on any record date for the payment of a dividend on such shares to the opening of business on the date of payment of such dividend shall be payable to the holder of record of such shares as of such record date notwithstanding such conversion. Except as otherwise expressly set forth herein, no payment or adjustment shall be made upon any conversion of shares of Series A on account of any dividends accrued on such shares or on account of any dividends accrued on the shares of Common Stock issued upon such conversion.

Section 8. Voting Rights.

(a) General. The Holders of Series A will have no voting rights except as set forth below or in the Certificate of Incorporation or as otherwise required by law.

(b) Right to Vote with Holders of Common Stock. Subject to the other provisions of, and without limiting the other voting rights provided in, this Section 8, and except as provided in the Certificate of Incorporation or required by the Delaware General Corporation Law, the Holders will have the right to vote together as a single class with the holders of the Common Stock on each matter submitted for a vote or consent by the holders of the Common Stock, and, solely for these purposes, (i) the Series A of each Holder will entitle such Holder to cast a number of votes on such matter equal to the number of votes such Holder would have been entitled to cast if such Holder were the holder of record, as of the record date or, if there is no record date, other relevant date for such matter, of a number of shares of Common Stock equal to the whole number of shares of Common Stock that would be issuable upon conversion of such Series A assuming such Series A were converted in connection with an Automatic Conversion Event occurring on such record date or, if there is no record date, other relevant date; in each case assuming that the Corporation elected to issue Additional Shares in connection with such conversion and including such shares for the foregoing purposes (provided, that for the purposes of this Section 8(b), the number of Additional Shares shall not be greater than an amount equal to the Additional Payment Amount divided by \$1.00) and (ii) the Holders will be entitled to notice of all stockholder meetings or proposed actions by written consent in accordance with the Certificate of Incorporation, the Bylaws, and the Delaware General Corporation Law as if the Holders were holders of Common Stock. For the avoidance of doubt, no Holder of Series A will be treated as the holder of the shares of Common Stock issuable upon conversion of such Series A except as set out in Section 7.

(c) Other Voting Rights. So long as any shares of Series A are outstanding, in addition to any other vote or consent of stockholders required by law or by the Certificate of Incorporation, the approval of a Majority In Interest, voting as a class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be necessary for:

(i) effecting or validating any amendment, modification or alteration of the Certificate of Incorporation (whether by merger, consolidation or otherwise) to authorize or create, or increase the authorized amount of, any shares of any class or series or any securities convertible into shares of any class or series of capital stock of the Corporation ranking senior to or pari passu with Series A with respect to the payment of the Preference Dividend or payment of the Liquidation Entitlement upon the occurrence of a Liquidation Event;

(ii) any increase in the authorized number of shares of Series A, Dividend Parity Stock or Liquidation Parity Stock or issuance of shares of Series A, Dividend Parity Stock or Liquidating Parity Stock after the date hereof;

(iii) effecting or validating any amendment, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Certificate of Incorporation (including this Certificate of Designations and any other certificate of designations of the Corporation) or Bylaws that would have an adverse effect on the rights, preferences, privileges or voting power of the Series A or the Holders thereof in any material respect; provided, that for the avoidance of doubt, any merger, consolidation, or similar transaction shall not be deemed to have such an adverse effect so long as (A) the Series A remains outstanding with the terms thereof materially unchanged or the holders of the Series A receive equity securities with rights, preferences, privileges and voting power substantially the same as those of the Series A, and (B) the provisions of the certificate of incorporation or bylaws (or equivalent governing documents) of the surviving entity or successor entity in such transaction do not differ from the Certificate of Incorporation or Bylaws in any manner that would have an adverse effect on the rights, preferences, privileges or voting power of the Series A or such replacement equity securities or the Holders thereof in any material respect; provided, further, to the extent that the Corporation duly consummated its Redemption rights in connection with a Change of Control pursuant to Section 9 prior to the occurrence of such Change of Control, the Holders shall not have voting rights hereunder in respect of any amendment, alteration or repeal relating to such transaction; or

(iv) any action or inaction that would reduce the Stated Amount of any share of Series A (including, but not limited to, any reverse stock split, combination, or other adjustment).

Section 9. Redemption at the Option of the Corporation.

(a) Generally. (f) make any request or submit any proposal to amend or waive the terms of this Section 12.3 other than through non-public communications with the Company that would not be reasonably expected to result in or involve public disclosure obligations for any Party; or

(g) enter into any discussions, negotiations, agreements or understandings with any Person with respect to any action the Investors are prohibited from taking pursuant to this Section 12.3, or advise, assist, knowingly encourage or seek to persuade any Person to take any action or make any statement with respect to any such action, or otherwise take or cause any action or make any statement inconsistent with any of the foregoing;

provided that, nothing contained in this Section 12.3 shall restrict the Investor from (i) making any proposal to the Company Board through non-public communications that would not reasonably be expected to result in or involve public disclosure obligations for any Party, including in connection with any type of business combination, restructuring, or acquisition of securities of the Company, or representation on the Company Board (such as commencing a proxy contest), or (ii) acquiring the Dividend Shares, if any, in accordance with the terms and conditions of this Agreement.

Section 12.4 Voting Agreement. From the date of this Agreement until the Limitation Expiration Date, the Investors shall (and shall cause their Affiliates to) vote, or cause to be voted, exercise their rights to consent (or cause their rights to consent to be exercised), or take action (or omit to take any action) with respect to all Voting Securities owned by them (and which are entitled to vote on such matters) in the aggregate in excess of 18% of the Company's shares of Voting Securities then outstanding (calculated on an as-converted basis) (the "Voting Threshold") as of the record date for the determination of stockholders of the Company entitled to vote or consent to such matter, with respect to each matter on which stockholders of the Company are entitled to vote or consent (including the election of directors to the Company Board), so as to cause such shares of Voting Securities to reflect the voting results (with respect to shares voted "for", shares voted "against", shares "abstained", shares "withheld", broker nonvotes and shares not present at the meeting for quorum purposes) of the shares of Voting Securities held by stockholders who beneficially own less than 18% of the shares of Voting Securities then outstanding (calculated on an as-converted basis). Upon the failure of any Investor to vote its Voting Securities beneficially owned in excess of the Voting Threshold in accordance with the terms of this Section 12.4, such Investor hereby grants to the Company a proxy coupled with an interest in all shares of Voting Securities beneficially owned in excess of the Voting Threshold by such Investor, which proxy shall be irrevocable until the Limitation Expiration Date, to vote, or cause to be voted, to exercise their rights to consent (or cause their rights to consent to be exercised), or to take action (or omit to take any action) with respect to all such shares of Voting Securities in the manner provided in this Section 12.4. It is agreed and understood that monetary damages would not adequately compensate the Company for the breach of this Section 12.4 by any Investor, that this Section 12.4 shall be specifically enforceable, and that any breach or threatened breach of this Section 12.4 shall be the proper subject of a temporary or permanent injunction or restraining order. Further, each Investor hereby waives any claim or defense that there is an adequate remedy at law for such breach or threatened breach.

Section 12.5 Investor Director Designees. Notwithstanding any of the foregoing, the provisions set forth in Section 12.3 and Section 12.4 shall in no way limit the ability of any individual who is serving as a director of the Company as an Investor Director Designee (as such term is defined in the Investor Rights Agreement) to take any actions (or to refrain from taking any actions) in his or her capacity as a director of the Company.

ARTICLE XIII

LOCK-UP RESTRICTIONS AND SECONDARY OFFERINGS

Section 13.1 Lock-Up Restrictions.

(a) Except as otherwise provided herein, each Investor hereby agrees that, from the date of this Agreement, it will not directly or indirectly:

(i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any of its Voting Securities (whether now owned or hereafter acquired);

(ii) enter into any swap, hedging or other arrangement that transfers to another, in whole or in part, any of the economic or other consequences of ownership of the Voting Securities (including the right to vote or consent on any matter or to receive or have any economic interest in distributions or advances from the Company pursuant thereto); or

(iii) publicly announce or disclose any intention to do any of the foregoing (each of the transactions described in clauses (i) to (iii) (inclusive) of this Section 13.1(a), a “Transfer”);

in each case, whether such transaction described in clauses (i) to (iii) (inclusive) of Section 13.1(a) is to be settled by delivery of shares of Common Stock or such other securities, in cash or otherwise.

(b) The restrictions described above in Section 13.1(a) (each, a “Lock-Up Restriction” and collectively, the “Lock-Up Restrictions”) shall cease to apply to the Voting Securities beneficially owned by each Investor as follows:

(i) on and after the six month anniversary of the Lock-Up Trigger Date, the Lock-Up Restrictions shall automatically cease to apply to 50% of the Voting Securities beneficially owned by such Investor as of the date hereof; and

(ii) on the twelve month anniversary of the Lock-Up Trigger Date, or such earlier date as determined by the Company, the Lock-Up Restrictions shall automatically cease to apply to any Voting Securities not released pursuant to Section 13.1(b)(i).

(c) Notwithstanding anything herein to the contrary, the Lock-Up Restrictions shall not apply to:

(i) Any transactions contemplated by this Agreement (including the Series A Repurchase and the conversion of shares of Series A Preferred Stock into shares of Common Stock in connection with the Negotiated Conversion);

(ii) the granting of a revocable proxy to officers or directors of the Company at the request of the Company Board in connection with actions to be taken at annual or special meetings of stockholders or in connection with any action by written consent of the stockholders solicited by the Company Board (at such times as action by written consent of stockholders is permitted under the certificate of incorporation of the Company);

(iii) a Transfer made with the prior written consent of the Company (with the approval of the Preferred Conversion Committee); and

(iv) a Transfer to a bona fide third party pursuant to a tender offer for securities of the Company or any merger, consolidation or other business combination involving a Change of Control (as defined below) of the Company that, in each case, has been approved by the Company Board (including entering into any lock-up, voting or similar agreement pursuant to which the Investors may agree to Transfer Voting Securities in connection with any such transaction, or vote any stock in favor of any such transaction), *provided* that all Voting Securities subject to this Section 13.1 that are not so transferred, sold, tendered or otherwise disposed of remain subject to this Section 13.1, and *provided*, further, that it shall be a condition of Transfer that if such tender offer or other transaction is not completed, any Voting Securities subject to this Section 13.1 shall remain subject to the restrictions herein.

(d) Each Investor also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of such Investor's Voting Securities except in compliance with the Lock-Up Restrictions.

Section 13.2 Secondary Offerings. The Investors shall permit any holder of Series A Preferred Stock (other than an Oaktree Investor and its controlled Affiliates) that, prior to the Series A Repurchase Closing, has entered into a lock-up agreement acceptable to the Company in its sole discretion (with the approval of the Preferred Conversion Committee) (each, an "Other Locked-Up Holder"), to sell such Other Locked-Up Holder's shares of Common Stock in any Underwritten Offering (as defined in the Registration Rights Agreement) and any Piggyback Registration (as defined in the Registration Rights Agreement, and together with Underwritten Offerings, the "Permitted Offerings") on a priority basis, provided that the aggregate number of shares that each Other Locked-Up Holder may include on a priority basis in all Permitted Offerings shall not exceed in the aggregate the number of shares of Common Stock equal to (i)(a) the number of shares of Series A Preferred Stock held by the Other Locked-Up Holder on the date of the Series A Repurchase multiplied by (b)(x) the aggregate number of shares of Series A Preferred Stock sold in the Series A Repurchase by all of the Investors, divided by (y) the total number of shares of Series A Preferred Stock held by all of the Investors immediately prior to the Series A Repurchase, minus (ii) any shares of Series A Preferred Stock disposed of by the Other Locked-Up Holder from and including the date of the Series A Repurchase.

ARTICLE XIV

OTHER COVENANTS

Section 14.1 Certain Other Repurchases.

(a) The Company shall expand its existing share repurchase program to permit it to repurchase up to \$250,000,000.00 in the aggregate of shares of Common Stock or Series A Preferred Stock in open market transactions, privately negotiated purchases and other transactions from time to time (the "Stock Repurchase Program") on terms and conditions satisfactory to the Preferred Conversion Committee in its reasonable discretion.

(b) Except with the prior written consent of the Preferred Conversion Committee, the Investors acknowledge and agree that neither the Investors nor their controlled Affiliates shall tender or sell, or offer to tender or sell any shares of Series A Preferred Stock or Common Stock that are subject to the Lock-Up Restrictions at such time in any transaction that is part of the Stock Repurchase Program. For the avoidance of doubt the Investors and their controlled Affiliates may participate in any transaction that is part of the Stock Repurchase Program with respect to any shares of such Investors' or controlled Affiliates' shares of Series A Preferred Stock or Common Stock that have been released from the Lock-Up Restrictions in accordance with Section 13.1.

Section 14.2 Oaktree Transaction Agreement. The Company intends to enter into the Oaktree Transaction Agreement with the Oaktree Investors on identical terms and conditions (subject to such modifications as may be appropriate based on the amount of holdings of the Oaktree Investors), and in the event the Company amends, modifies, supplements, waives or grants any consent under any provision of the Oaktree Transaction Agreement (each, a "Transaction Agreement Modification") during the 12 month period following the date of this Agreement, the Company shall promptly notify the Investors of such Transaction Agreement Modification, and the Investors shall have the right to elect such Transaction Agreement Modification included herein, in which case the Parties shall promptly amend this Agreement to effect the same. The Investors acknowledge and agree that, to the extent the vote of the Series A Preferred Stock of the Oaktree Investors are necessary for the Series A Requisite Consent, the transactions contemplated by the Oaktree Agreement shall be consummated simultaneously with, and will be a condition to the consummation of, the transactions contemplated hereby and the Ancillary Documents.

Section 14.3 Section 16(b) of the Exchange Act. Prior to the Series A Repurchase Closing, the Company shall have taken all such actions as are required to cause the exemption of every direct and indirect acquisition and disposition by the Investors of any “equity security of the Company” (as defined in Rule 16a-1(d) under the Exchange Act, treating the Company as the “issuer” referred to therein) that shall occur pursuant to this Agreement (including, without limitation, any disposition of Series A Preferred Stock in either the Series A Repurchase or the Negotiated Conversion and any acquisition of Common Stock in either the Negotiated Conversion or the Series A Accrued Dividend Payment) from Section 16(b) of the Exchange Act, to the fullest extent available under, respectively, Rule 16b-3(d)(1) and Rule 16b-3(e) in respect of the Investors as a director of the Company for the purposes of Section 16 of the Exchange Act. Prior to the Series A Repurchase Closing, the Company also shall have delivered to the Investors reasonable written evidence of the Company Board’s proper approval of the Investors’ transactions in equity securities of the Company contemplated by this Agreement for the purpose of granting such exemption from Section 16(b) as is described in the immediately preceding sentence, which Company Board approval shall reasonably demonstrate the Company Board’s awareness of such facts and circumstances as may cause the Investors to be treated as a director of the Company for the purposes of Section 16 of the Exchange Act.

Section 14.4 Stock Exchange Listing. At or prior to the delivery of any Dividend Shares pursuant to Section 5.1(b), the Company shall cause each of the Dividend Shares to be approved for listing on NASDAQ, subject to official notice of issuance.

Section 14.5 Restrictive Legends. To the extent any Subject Shares bear a restrictive legend, any Dividend Shares that may be issued to the Investors shall bear the same restrictive legend.

Section 14.6 Tax Treatment. For U.S. federal (and applicable state and local) income tax purposes, the parties agree to treat (i) the Series A Repurchase as a sale by the Investor of Series A Preferred Stock to the Company in exchange for the Transaction Consideration in a transaction described in Section 302(b) of the Code, and (ii) the modifications to the terms of the Series A Preferred Stock in connection with the Amended Series A Certificate of Designations, the Negotiated Conversion, and the Series A Accrued Dividend Payment, in whole, as one or more “recapitalizations” within the meaning of Section 368(a)(1)(E) of the Code. No party shall take any position inconsistent with the foregoing on any tax return or with any Governmental Authority, in each case, except to the extent otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Code (or any applicable analogous provision of state or local tax Law). The Company shall not take, and shall ensure that no Affiliate takes, any action that would adversely impact the intended tax treatment described in this Section 14.6.

Section 14.7 Further Assurances. Each Party agrees to use commercially reasonable efforts to execute such additional documents and other papers and to perform or cause to be performed such further acts as may be reasonably required to carry out the provisions contained in this Agreement or any Ancillary Document. Upon the reasonable request of any Party, the other Parties agree to promptly use their commercially reasonable efforts to execute and deliver such further instruments of assignment, transfer, conveyance, endorsement, direction or authorization and other documents (but without incurring any material financial obligation) as may be reasonably requested to effectuate the transactions contemplated by this Agreement or any Ancillary Document, including the Series A Repurchase. To the extent that action or lack of action on the part of a controlled Affiliate of a Party is necessary in order for such Party to fulfill any of its obligations under this Agreement or any Ancillary Document, then each such obligation shall be deemed to include an undertaking on the part of such Party to use commercially reasonable efforts to cause such controlled Affiliates to take, or prevent such controlled Affiliate from taking, as applicable, such necessary action.

ARTICLE XV

TERMINATION

Section 15.1 Termination. This Agreement may be terminated on or prior to the Series A Repurchase Closing Date as follows:

(a) by the mutual written consent of the Company (with the prior approval of the Preferred Conversion Committee) and the Investors;

(b) by the Company (with the prior approval of the Preferred Conversion Committee), upon written notice to the Investors, if there has been a material violation, breach or inaccuracy of any representation or warranty of any Investor contained in this Agreement, which violation, breach or inaccuracy would cause the condition set forth in Section 11.1 not to be satisfied, and such violation, breach or inaccuracy has not been cured by the applicable Investor within 10 calendar days after receipt by such Investor of written notice thereof from the Company or is not reasonably capable of being cured prior to the Termination Date;

(c) by the Investors, upon written notice to the Company, if there has been a material violation, breach or inaccuracy of any representation or warranty of the Company contained in this Agreement, which violation, breach or inaccuracy would cause the condition set forth in Section 10.1 not to be satisfied, and such violation, breach or inaccuracy has not been cured by the Company within 10 calendar days after receipt by the Company of written notice thereof from the Investors or is not reasonably capable of being cured prior to the Termination Date;

(d) by the Company (with the prior approval of the Preferred Conversion Committee), on the one hand, or the Investors, on the other hand, upon written notice to the other, if by the close of business on September 15, 2023 (the "Termination Date"), the Series A Repurchase Closing has not occurred; provided, that the right to terminate this Agreement under this Section 15.1(d) shall not be available to any Party (i) whose breach of this Agreement has been the principal cause of, or resulted in, the failure to consummate the Series A Repurchase by such date or (ii) during the pendency of any action by the other party for specific performance of this Agreement pursuant to Section 16.13;

(e) by the Company (with the prior approval of the Preferred Conversion Committee), on the one hand, or the Investors, on the other hand, upon written notice to the other, if the Oaktree Transaction Agreement has been terminated; or

(f) by the Company (with the prior approval of the Preferred Conversion Committee), on the one hand, or the Investors, on the other hand, upon written notice to the other, if any Governmental Authority shall have issued a final, non-appealable Order preventing or otherwise prohibiting the consummation of the transactions contemplated hereby or under any Ancillary Document, including the Series A Repurchase.

Section 15.2 Survival After Termination. If this Agreement is terminated in accordance with Section 15.1, this Agreement shall become void and of no further force and effect, except that the provisions of this Section 15.2 and Article XVI (Miscellaneous) shall survive the termination of this Agreement.

ARTICLE XVI

MISCELLANEOUS

Section 16.1 Survival. Each representation and warranty contained in this Agreement shall survive the transactions contemplated by this Agreement, including the Series A Repurchase Closing and the Negotiated Conversion.

Section 16.2 Expenses.

(a) Each Party shall pay all of its own fees, costs and expenses (including attorneys' fees, costs and expenses) in connection with the preparation and negotiation of this Agreement and the Ancillary Documents, the performance of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby, including the Series A Repurchase (the "Transaction Expenses"); *provided*, that the Company shall reimburse the Investors for their reasonable, documented Transaction Expenses in an amount not to exceed \$300,000.00 in the aggregate for all of the Investors.

(b) The Company shall reimburse, or shall cause to be reimbursed, within 60 days of written notice therefor from the Investors (together with supporting documentation), the Investors for the documented out-of-pocket legal expenses, including the reasonable fees and expenses of counsel, incurred by the Investors in respect of any Actions resulting from or arising out of this Agreement or the Ancillary Documents or the transactions contemplated hereby or thereby in the three (3) year period following the date of this Agreement in an amount not to exceed \$2,500,000.00 in the aggregate for all of the Investors; *provided*, that the Investors shall not be entitled to reimbursement under this Section 16.2(b) with respect to (i) any Action resulting from or arising out of this Agreement or the Ancillary Documents or the transactions contemplated hereby or thereby brought against an Investor or any of its Affiliates by any former, current and future holders of any equity, partnership or limited liability company interest, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders or assignees of an Investor or any of its Affiliates, or (ii) any Action in which an Investor or any of its controlled Affiliates is determined by a court of competent jurisdiction upon entry of a final and non-appealable judgment to have engaged in fraud, gross negligence, willful misconduct, bad faith, a material breach of this Agreement or the Ancillary Documents, or any action in respect of which a director would not be entitled to indemnification under the DGCL. The Investors shall repay, and cause to be repaid, to the Company any amounts reimbursed under this Section 16.2(b) with respect to any Action described in clauses (i) and (ii) of the foregoing sentence; *provided*, that with respect to any Action described in clause (ii), the Investors shall repay, and cause to be repaid, any amounts reimbursed under this under this Section 16.2(b) in such proportion as is appropriate to reflect the relative fault of such Investor or controlled Affiliate as determined by a court of competent jurisdiction upon entry of a final and non-appealable judgment.

Section 16.3 Amendment. This Agreement may not be amended except by an instrument in writing signed by the Company and the Investors, *provided* that any amendment hereof shall require the prior approval of the Preferred Conversion Committee.

Section 16.4 Entire Agreement. This Agreement, taken together with the Ancillary Documents, constitutes the entire agreement of the Parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and understandings between or among the Parties and their respective Affiliates, both oral and written, with respect to such subject matter. In the event of a conflict between this Agreement and any Ancillary Document, the terms of such Ancillary Document shall control with respect to the subject matter of the applicable Ancillary Document. Each of the Investors acknowledges and agrees that it has relied solely upon the representations and warranties of the Company expressly set forth in this Agreement that that it has not relied upon any other representations, warranties or information in connection with the transactions contemplated hereby or any other Ancillary Document. The Company acknowledges and agrees that it has relied solely upon the representations and warranties of the Investors expressly set forth in this Agreement that that it has not relied upon any other representations, warranties or information in connection with the transactions contemplated hereby or any other Ancillary Document. None of the Investors or the Company, or any of their respective representatives, directors, officers or stockholders, has made any representations or warranties, express or implied, of any nature whatsoever relating to the Investors or the Company or otherwise in connection with the transactions contemplated hereby or under any Ancillary Document, including the Series A Repurchase, other than those representations and warranties expressly set forth in this Agreement.

Section 16.6 Waiver. The waiver of any provision of this Agreement by any Party shall only be effective if in writing and shall not be construed as a waiver of any subsequent breach or failure of the same provision or a waiver of any other provision of this Agreement, *provided* that any waiver of any provision of this Agreement by the Company shall require the prior approval of the Preferred Conversion Committee.

Section 16.7 Binding Effect; Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any Party without the prior written consent of the Company with the prior approval of the Preferred Conversion Committee (in the case of any assignment by any Investor) or the Investors (in the case of any assignment by the Company), and any purported assignment or other transfer without such consent shall be void and unenforceable. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties to this Agreement and their respective successors and permitted assigns. The Investors are entering into this Agreement in their capacity solely as beneficial owners of Voting Securities and not in any other capacity. Nothing in this Agreement shall prevent any director designee(s) of the Investors from acting their capacity as directors of the Company or exercising their fiduciary duties to the Company and its stockholders.

Section 16.8 No Third Party Beneficiary. Nothing in this Agreement shall confer any rights, remedies or claims upon any Person not a party or a permitted assignee of a Party to this Agreement.

Section 16.9 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be invalid, illegal, or unenforceable in any respect under any applicable Law in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed, and enforced in such jurisdiction as if such invalid, illegal, or unenforceable provision had never been contained herein.

Section 16.10 Governing Law. This Agreement and all claims or causes of action (whether based on Contract, tort or otherwise) that may be based upon, arise out of or relate to this Agreement or the facts and circumstances leading to its execution, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

Section 16.11 Consent to Jurisdiction and Service of Process.

(a) Each of the Parties hereby irrevocably and unconditionally (i) consents and submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware (or if such court lacks subject matter jurisdiction, any other state or federal court sitting in the State of Delaware) in respect of any action, suit or other proceeding (whether at Law or in equity, whether based on Contract, tort or otherwise) that arises out of, relates to or is in any manner connected with this Agreement or the transactions contemplated hereby, (ii) agrees that it will not attempt to deny or defeat such jurisdiction by motion or other request for leave from any such court, (iii) agrees that it will not bring any such proceeding in any court other than such courts, (iv) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any such proceeding in any such court, and (v) waives, and agrees not to plead or to make, any claim that any such proceeding brought in any such court has been brought in an improper or otherwise inconvenient forum. Each of the Parties agrees that any Order issued by any such court in connection with any such proceeding shall be conclusive, and notwithstanding the foregoing provisions of this Section 16.11(a), may be enforced in any other jurisdiction, including by suit on the judgment or in any other manner provided by Law.

(b) Each of the Parties hereby irrevocably and unconditionally (i) agrees that, to the extent such Party is not otherwise subject to service of process in the State of Delaware, such Party shall appoint and maintain an agent in the State of Delaware as such Party's agent and attorney-in-fact for the acceptance of service of process

in respect of any action, suit or other proceeding (whether at Law or in equity, whether based on Contract, tort or otherwise) that arises out of, relates to or is in any manner connected with this Agreement or the transactions contemplated hereby and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over such Party before the courts referred to in Section 16.11(a) in respect of such proceeding, and (ii) consents to the service of process outside the territorial jurisdiction of the courts referred to in Section 16.11(a) in respect of any such proceeding by mailing copies thereof, by registered or certified United States mail, postage prepaid, return receipt requested, to its address as specified in accordance with Section 16.5. For the avoidance of doubt, the foregoing shall not limit the right of a Party to effect service of process on the other Parties by any other legally available method.

(c) The foregoing consent to jurisdiction and service of process shall not constitute a submission to jurisdiction or general consent to service of process in the State of Delaware for any purpose except as provided above and shall not be deemed to confer rights on any Person other than the Parties.

SECTION 16.12 WAIVER OF JURY TRIAL. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, AND COVENANTS THAT IT WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE), ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR OTHER PROCEEDING THAT ARISES OUT OF, RELATES TO OR IS IN ANY MANNER CONNECTED WITH THIS AGREEMENT, THE ANCILLARY DOCUMENTS, THE SERIES A REPURCHASE OR THE OTHER TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, WHETHER AT LAW OR IN EQUITY, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 16.12. THE PARTIES AGREE THAT ANY OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE THEIR RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING WHATSOEVER BETWEEN THEM THAT ARISES OUT OF, RELATES TO OR IS IN ANY MANNER CONNECTED WITH THIS AGREEMENT, THE ANCILLARY DOCUMENTS, THE SERIES A REPURCHASE OR THE OTHER TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 16.13 Specific Performance. The Parties agree that in the event that any of the transactions contemplated by this Agreement or the Ancillary Documents are not consummated in accordance with the terms of this Agreement or the Ancillary Documents, or the agreements and covenants set forth herein are otherwise not performed in accordance with their specific terms, irreparable damage would occur, no adequate remedy at Law would exist and damages would be difficult to determine. Accordingly, the Parties acknowledge and agree that the Parties shall be entitled to an injunction, specific performance or other equitable relief to prevent breaches or threatened breaches of this Agreement and the Ancillary Documents and to enforce specifically the terms and provisions of this Agreement and the Ancillary Documents, in addition to any other remedy at Law or in equity. The Parties further agree not to assert that a remedy of injunctive relief, specific performance or other equitable relief is unenforceable, invalid, contrary to Law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy. Each of the Parties hereby waives (a) any defenses in any action for injunctive relief, specific performance or other equitable relief, including the defense that a remedy at Law would be adequate, and (b) any requirement under Law to post a bond or other security as a prerequisite to obtaining such relief.

Section 16.14 Counterparts. This Agreement may be signed in any number of counterparts with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. This Agreement shall become effective when, and only when, each Party shall have received a counterpart hereof signed by all of the other Parties.

Section 16.15 No Recourse.

(a) Notwithstanding anything that may be expressed or implied in this Agreement, the Company acknowledges and agrees that, other than each Investor in each case solely to the extent provided herein or in any Ancillary Document, no recourse under this Agreement or any Ancillary Document shall be had against any former, current or future directors, officers, employees, agents, general or limited partners, managers, members, stockholders, equity owners, controlling Persons, Affiliates or assignees of any Investor or Centerbridge Partners, L.P. or any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder, equity owner, controlling Person, Affiliate or assignee of any of the foregoing, or any heir, executor, administrator, successor or assign of any of the foregoing (collectively, the “Investor Related Parties”), whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable Law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any Investor Related Party for any obligation of the Investors under this Agreement, any Ancillary Document or any agreements, documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

Such Investor further represents that it has conducted its own analysis prior to making its investment in the Dividend Shares and no other Person has provided any investment advice to it in connection with, or as to the value of, the investment in the Dividend Shares.

Section 8.8 Investment Purpose. Such Investor is acquiring the Dividend Shares that may be issued for investment and not with a view toward or for the sale in connection with any distribution thereof, or with any present intention or distributing or selling such Dividend Shares. The Investor acknowledges that the Dividend Shares have not been registered under the Securities Act or any other federal, state, foreign or local securities Laws, and agrees that such Dividend Shares may not be sold, transferred, offered for sale, pledged, distributed, hypothecated or otherwise disposed of without registration under the Securities Act, except pursuant to an exemption from such registration available under the Securities Act, and in compliance with any other federal, state, foreign or local securities Law, in each case, to the extent applicable. (d) Each Investor also agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of such Investor's Voting Securities except in compliance with the Lock-Up Restrictions.

Section 13.2 Secondary Offerings. The Investors shall permit any holder of Series A Preferred Stock (other than a Centerbridge Investor or its controlled Affiliates) that, prior to the Series A Repurchase Closing, has entered into a lock-up agreement acceptable to the Company in its sole discretion (with the approval of the Preferred Conversion Committee) (each, an "Other Locked-Up Holder"), to sell such Other Locked-Up Holder's shares of Common Stock in any Underwritten Offering (as defined in the Registration Rights Agreement) and any Piggyback Registration (as defined in the Registration Rights Agreement, and together with Underwritten Offerings, the "Permitted Offerings") on a priority basis, provided that the aggregate number of shares that each Other Locked-Up Holder may include on a priority basis in all Permitted Offerings shall not exceed in the aggregate the number of shares of Common Stock equal to (i)(a) the number of shares of Series A Preferred Stock held by the Other Locked-Up Holder on the date of the Series A Repurchase multiplied by (b)(x) the aggregate number of shares of Series A Preferred Stock sold in the Series A Repurchase by all of the Investors, divided by (y) the total number of shares of Series A Preferred Stock held by all of the Investors immediately prior to the Series A Repurchase, *minus* (ii) any shares of Series A Preferred Stock disposed of by the Other Locked-Up Holder from and including the date of the Series A Repurchase.

ARTICLE XIV

OTHER COVENANTS

Section 14.1 Certain Other Repurchases.

(a) The Company shall expand its existing share repurchase program to permit it to repurchase up to \$250,000,000.00 in the aggregate of shares of Common Stock or Series A Preferred Stock in open market transactions, privately negotiated purchases and other transactions from time to time (the "Stock Repurchase Program") on terms and conditions satisfactory to the Preferred Conversion Committee in its reasonable discretion.

(b) Except with the prior written consent of the Preferred Conversion Committee, the Investors acknowledge and agree that neither the Investors nor their controlled Affiliates shall tender or sell, or offer to tender or sell any shares of Series A Preferred Stock or Common Stock that are subject to the Lock-Up Restrictions at such time in any transaction that is part of the Stock Repurchase Program. For the avoidance of doubt the Investors and their controlled Affiliates may participate in any transaction that is part of the Stock Repurchase Program with respect to any shares of such Investors' or controlled Affiliates' shares of Series A Preferred Stock or Common Stock that have been released from the Lock-Up Restrictions in accordance with Section 13.1.

Section 14.2 Centerbridge Transaction Agreement. The Company intends to enter into the Centerbridge Transaction Agreement with the Centerbridge Investors on identical terms and conditions (subject to such modifications as may be appropriate based on the amount of holdings of the Centerbridge Investors), and in the

event the Company amends, modifies, supplements, waives or grants any consent under any provision of the Centerbridge Transaction Agreement (each, a “Transaction Agreement Modification”) during the 12 month period following the date of this Agreement, the Company shall promptly notify the Investors of such Transaction Agreement Modification, and the Investors shall have the right to elect such Transaction Agreement Modification included herein, in which case the Parties shall promptly amend this Agreement to effect the same. The Investors acknowledge and agree that, to the extent the vote of the Series A Preferred Stock of the Centerbridge Investors are necessary for the Series A Requisite Consent, the transactions contemplated by the Centerbridge Agreement shall be consummated simultaneously with, and will be a condition to the consummation of, the transactions contemplated hereby and the Ancillary Documents.

Section 14.3 Section 16(b) of the Exchange Act. Prior to the Series A Repurchase Closing, the Company shall have taken all such actions as are required to cause the exemption of every direct and indirect acquisition and disposition by the Investors of any “equity security of the Company” (as defined in Rule 16a-1(d) under the Exchange Act, treating the Company as the “issuer” referred to therein) that shall occur pursuant to this Agreement (including, without limitation, any disposition of Series A Preferred Stock in either the Series A Repurchase or the Negotiated Conversion and any acquisition of Common Stock in either the Negotiated Conversion or the Series A Accrued Dividend Payment) from Section 16(b) of the Exchange Act, to the fullest extent available under, respectively, Rule 16b-3(d)(1) and Rule 16b-3(e) in respect of the Investors as a director of the Company for the purposes of Section 16 of the Exchange Act. Prior to the Series A Repurchase Closing, the Company also shall have delivered to the Investors reasonable written evidence of the Company Board’s proper approval of the Investors’ transactions in equity securities of the Company contemplated by this Agreement for the purpose of granting such exemption from Section 16(b) as is described in the immediately preceding sentence, which Company Board approval shall reasonably demonstrate the Company Board’s awareness of such facts and circumstances as may cause the Investors to be treated as a director of the Company for the purposes of Section 16 of the Exchange Act.

Section 14.4 Stock Exchange Listing. At or prior to the delivery of any Dividend Shares pursuant to Section 5.1(b), the Company shall cause each of the Dividend Shares to be approved for listing on NASDAQ, subject to official notice of issuance.

Section 14.5 Restrictive Legends. To the extent any Subject Shares bear a restrictive legend, any Dividend Shares that may be issued to the Investors shall bear the same restrictive legend.

Section 14.6 Tax Treatment. For U.S. federal (and applicable state and local) income tax purposes, the parties agree to treat (i) the Series A Repurchase as a sale by the Investor of Series A Preferred Stock to the Company in exchange for the Transaction Consideration in a transaction described in Section 302(b) of the Code, and (ii) the modifications to the terms of the Series A Preferred Stock in connection with the Amended Series A Certificate of Designations, the Negotiated Conversion, and the Series A Accrued Dividend Payment, in whole, as one or more “recapitalizations” within the meaning of Section 368(a)(1)(E) of the Code. No party shall take any position inconsistent with the foregoing on any tax return or with any Governmental Authority, in each case, except to the extent otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Code (or any applicable analogous provision of state or local tax Law). The Company shall not take, and shall ensure that no Affiliate takes, any action that would adversely impact the intended tax treatment described in this Section 14.6.

Section 14.7 Further Assurances. Each Party agrees to use commercially reasonable efforts to execute such additional documents and other papers and to perform or cause to be performed such further acts as may be reasonably required to carry out the provisions contained in this Agreement or any Ancillary Document. Upon the reasonable request of any Party, the other Parties agree to promptly use their commercially reasonable efforts to execute and deliver such further instruments of assignment, transfer, conveyance, endorsement, direction or authorization and other documents (but without incurring any material financial obligation) as may be reasonably requested to effectuate the transactions contemplated by this Agreement or any Ancillary Document, including

the Series A Repurchase. To the extent that action or lack of action on the part of a controlled Affiliate of a Party is necessary in order for such Party to fulfill any of its obligations under this Agreement or any Ancillary Document, then each such obligation shall be deemed to include an undertaking on the part of such Party to use commercially reasonable efforts to cause such controlled Affiliates to take, or prevent such controlled Affiliate from taking, as applicable, such necessary action.

ARTICLE XV

TERMINATION

Section 15.1 Termination. This Agreement may be terminated on or prior to the Series A Repurchase Closing Date as follows:

(a) by the mutual written consent of the Company (with the prior approval of the Preferred Conversion Committee) and the Investors;

(b) by the Company (with the prior approval of the Preferred Conversion Committee), upon written notice to the Investors, if there has been a material violation, breach or inaccuracy of any representation or warranty of any Investor contained in this Agreement, which violation, breach or inaccuracy would cause the condition set forth in Section 11.1 not to be satisfied, and such violation, breach or inaccuracy has not been cured by the applicable Investor within 10 calendar days after receipt by such Investor of written notice thereof from the Company or is not reasonably capable of being cured prior to the Termination Date;

(c) by the Investors, upon written notice to the Company, if there has been a material violation, breach or inaccuracy of any representation or warranty of the Company contained in this Agreement, which violation, breach or inaccuracy would cause the condition set forth in Section 10.1 not to be satisfied, and such violation, breach or inaccuracy has not been cured by the Company within 10 calendar days after receipt by the Company of written notice thereof from the Investors or is not reasonably capable of being cured prior to the Termination Date;

(d) by the Company (with the prior approval of the Preferred Conversion Committee), on the one hand, or the Investors, on the other hand, upon written notice to the other, if by the close of business on September 15, 2023 (the "Termination Date"), the Series A Repurchase Closing has not occurred; provided, that the right to terminate this Agreement under this Section 15.1(d) shall not be available to any Party (i) whose breach of this Agreement has been the principal cause of, or resulted in, the failure to consummate the Series A Repurchase by such date or (ii) during the pendency of any action by the other party for specific performance of this Agreement pursuant to Section 16.13;

(e) by the Company (with the prior approval of the Preferred Conversion Committee), on the one hand, or the Investors, on the other hand, upon written notice to the other, if the Centerbridge Transaction Agreement has been terminated; or

(f) by the Company (with the prior approval of the Preferred Conversion Committee), on the one hand, or the Investors, on the other hand, upon written notice to the other, if any Governmental Authority shall have issued a final, non-appealable Order preventing or otherwise prohibiting the consummation of the transactions contemplated hereby or under any Ancillary Document, including the Series A Repurchase.

Section 15.2 Survival After Termination. If this Agreement is terminated in accordance with Section 15.1, this Agreement shall become void and of no further force and effect, except that the provisions of this Section 15.2 and Article XVI (Miscellaneous) shall survive the termination of this Agreement.

ARTICLE XVI

MISCELLANEOUS

Section 16.1 Survival. Each representation and warranty contained in this Agreement shall survive the transactions contemplated by this Agreement, including the Series A Repurchase Closing and the Negotiated Conversion.

Section 16.2 Expenses.

(a) Each Party shall pay all of its own fees, costs and expenses (including attorneys' fees, costs and expenses) in connection with the preparation and negotiation of this Agreement and the Ancillary Documents, the performance of its obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby, including the Series A Repurchase (the "Transaction Expenses"); *provided*, that the Company shall reimburse the Investors for their reasonable, documented Transaction Expenses in an amount not to exceed \$300,000.00 in the aggregate for all of the Investors.

(b) The Company shall reimburse, or shall cause to be reimbursed, within 60 days of written notice therefor from the Investors (together with supporting documentation), the Investors for the documented out-of-pocket legal expenses, including the reasonable fees and expenses of counsel, incurred by the Investors in respect of any Actions resulting from or arising out of this Agreement or the Ancillary Documents or the transactions contemplated hereby or thereby in the three (3) year period following the date of this Agreement in an amount not to exceed \$2,500,000.00 in the aggregate for all of the Investors; *provided*, that the Investors shall not be entitled to reimbursement under this Section 16.2(b) with respect to (i) any Action resulting from or arising out of this Agreement or the Ancillary Documents or the transactions contemplated hereby or thereby brought against an Investor or any of its Affiliates by any former, current and future holders of any equity, partnership or limited liability company interest, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders or assignees of an Investor or any of its Affiliates, or (ii) any Action in which an Investor or any of its controlled Affiliates is determined by a court of competent jurisdiction upon entry of a final and non-appealable judgment to have engaged in fraud, gross negligence, willful misconduct, bad faith, a material breach of this Agreement or the Ancillary Documents, or any action in respect of which a director would not be entitled to indemnification under the DGCL. The Investors shall repay, and cause to be repaid, to the Company any amounts reimbursed under this Section 16.2(b) with respect to any Action described in clauses (i) and (ii) of the foregoing sentence; *provided*, that with respect to any Action described in clause (ii), the Investors shall repay, and cause to be repaid, any amounts reimbursed under this under this Section 16.2(b) in such proportion as is appropriate to reflect the relative fault of such Investor or controlled Affiliate as determined by a court of competent jurisdiction upon entry of a final and non-appealable judgment.

Section 16.3 Amendment. This Agreement may not be amended except by an instrument in writing signed by the Company and the Investors, *provided* that any amendment hereof shall require the prior approval of the Preferred Conversion Committee.

Section 16.4 Entire Agreement. This Agreement, taken together with the Ancillary Documents, constitutes the entire agreement of the Parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements and understandings between or among the Parties and their respective Affiliates, both oral and written, with respect to such subject matter. In the event of a conflict between this Agreement and any Ancillary Document, the terms of such Ancillary Document shall control with respect to the subject matter of the applicable Ancillary Document. Each of the Investors acknowledges and agrees that it has relied solely upon the representations and warranties of the Company expressly set forth in this Agreement that that it has not relied upon any other representations, warranties or information in connection with the transactions contemplated hereby or any other Ancillary Document. The Company acknowledges and agrees that it has relied solely upon

the representations and warranties of the Investors expressly set forth in this Agreement that that it has not relied upon any other representations, warranties or information in connection with the transactions contemplated hereby or any other Ancillary Document. None of the Investors or the Company, or any of their respective representatives, directors, officers or stockholders, has made any representations or warranties, express or implied, of any nature whatsoever relating to the Investors or the Company or otherwise in connection with the transactions contemplated hereby or under any Ancillary Document, including the Series A Repurchase, other than those representations and warranties expressly set forth in this Agreement.

Section 16.5 Notices. Any notice or other communication required or permitted under this Agreement shall be deemed to have been duly given and made if (a) in writing and (b) sent to a Party by (i) personal delivery (including receipted courier service) or overnight delivery service, (ii) electronic mail to the applicable email address; *provided* that the email transmission is promptly confirmed by telephone or otherwise, (iii) nationally recognized overnight delivery courier service or (iv) registered or certified mail, return receipt requested, postage prepaid, in each case to the applicable Party at its respective address set forth below, unless another address has been previously specified to the other Party (if applicable) in writing:

Section 16.6 Waiver. The waiver of any provision of this Agreement by any Party shall only be effective if in writing and shall not be construed as a waiver of any subsequent breach or failure of the same provision or a waiver of any other provision of this Agreement, *provided* that any waiver of any provision of this Agreement by the Company shall require the prior approval of the Preferred Conversion Committee.

Section 16.7 Binding Effect; Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any Party without the prior written consent of the Company with the prior approval of the Preferred Conversion Committee (in the case of any assignment by any Investor) or the Investors (in the case of any assignment by the Company), and any purported assignment or other transfer without such consent shall be void and unenforceable. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties to this Agreement and their respective successors and permitted assigns. The Investors are entering into this Agreement in their capacity solely as beneficial owners of Voting Securities and not in any other capacity. Nothing in this Agreement shall prevent any director designee(s) of the Investors from acting their capacity as directors of the Company or exercising their fiduciary duties to the Company and its stockholders.

Section 16.8 No Third Party Beneficiary. Nothing in this Agreement shall confer any rights, remedies or claims upon any Person not a party or a permitted assignee of a Party to this Agreement.

Section 16.9 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be invalid, illegal, or unenforceable in any respect under any applicable Law in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed, and enforced in such jurisdiction as if such invalid, illegal, or unenforceable provision had never been contained herein.

Section 16.10 Governing Law. This Agreement and all claims or causes of action (whether based on Contract, tort or otherwise) that may be based upon, arise out of or relate to this Agreement or the facts and circumstances leading to its execution, shall be governed by, and construed in accordance with, the Laws of the State of Delaware, without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Delaware.

Section 16.11 Consent to Jurisdiction and Service of Process.

(a) Each of the Parties hereby irrevocably and unconditionally (i) consents and submits to the exclusive jurisdiction of the Court of Chancery of the State of Delaware (or if such court lacks subject matter jurisdiction, any other state or federal court sitting in the State of Delaware) in respect of any action, suit or other proceeding (whether at Law or in equity, whether based on Contract, tort or otherwise) that arises out of, relates to or is in any manner connected with this Agreement or the transactions contemplated hereby, (ii) agrees that it will not attempt to deny or defeat such jurisdiction by motion or other request for leave from any such court, (iii) agrees that it will not bring any such proceeding in any court other than such courts, (iv) waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any such proceeding in any such court, and (v) waives, and agrees not to plead or to make, any claim that any such

proceeding brought in any such court has been brought in an improper or otherwise inconvenient forum. Each of the Parties agrees that any Order issued by any such court in connection with any such proceeding shall be conclusive, and notwithstanding the foregoing provisions of this Section 16.11(a), may be enforced in any other jurisdiction, including by suit on the judgment or in any other manner provided by Law.

(b) Each of the Parties hereby irrevocably and unconditionally (i) agrees that, to the extent such Party is not otherwise subject to service of process in the State of Delaware, such Party shall appoint and maintain an agent in the State of Delaware as such Party's agent and attorney-in-fact for the acceptance of service of process in respect of any action, suit or other proceeding (whether at Law or in equity, whether based on Contract, tort or otherwise) that arises out of, relates to or is in any manner connected with this Agreement or the transactions contemplated hereby and for the taking of all such acts as may be necessary or appropriate in order to confer jurisdiction over such Party before the courts referred to in Section 16.11(a) in respect of such proceeding, and (ii) consents to the service of process outside the territorial jurisdiction of the courts referred to in Section 16.11(a) in respect of any such proceeding by mailing copies thereof, by registered or certified United States mail, postage prepaid, return receipt requested, to its address as specified in accordance with Section 16.5. For the avoidance of doubt, the foregoing shall not limit the right of a Party to effect service of process on the other Parties by any other legally available method.

(c) The foregoing consent to jurisdiction and service of process shall not constitute a submission to jurisdiction or general consent to service of process in the State of Delaware for any purpose except as provided above and shall not be deemed to confer rights on any Person other than the Parties.

SECTION 16.12 WAIVER OF JURY TRIAL. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, AND COVENANTS THAT IT WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE), ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR OTHER PROCEEDING THAT ARISES OUT OF, RELATES TO OR IS IN ANY MANNER CONNECTED WITH THIS AGREEMENT, THE ANCILLARY DOCUMENTS, THE SERIES A REPURCHASE OR THE OTHER TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, WHETHER AT LAW OR IN EQUITY, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 16.12. THE PARTIES AGREE THAT ANY OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE THEIR RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING WHATSOEVER BETWEEN THEM THAT ARISES OUT OF, RELATES TO OR IS IN ANY MANNER CONNECTED WITH THIS AGREEMENT, THE ANCILLARY DOCUMENTS, THE SERIES A REPURCHASE OR THE OTHER TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 16.13 Specific Performance. The Parties agree that in the event that any of the transactions contemplated by this Agreement or the Ancillary Documents are not consummated in accordance with the terms of this Agreement or the Ancillary Documents, or the agreements and covenants set forth herein are otherwise not performed in accordance with their specific terms, irreparable damage would occur, no adequate remedy at Law would exist and damages would be difficult to determine. Accordingly, the Parties acknowledge and agree that the Parties shall be entitled to an injunction, specific performance or other equitable relief to prevent

breaches or threatened breaches of this Agreement and the Ancillary Documents and to enforce specifically the terms and provisions of this Agreement and the Ancillary Documents, in addition to any other remedy at Law or in equity. The Parties further agree not to assert that a remedy of injunctive relief, specific performance or other equitable relief is unenforceable, invalid, contrary to Law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy. Each of the Parties hereby waives (a) any defenses in any action for injunctive relief, specific performance or other equitable relief, including the defense that a remedy at Law would be adequate, and (b) any requirement under Law to post a bond or other security as a prerequisite to obtaining such relief.

Section 16.14 Counterparts. This Agreement may be signed in any number of counterparts with the same effect as if the signatures to each counterpart were upon a single instrument, and all such counterparts together shall be deemed an original of this Agreement. This Agreement shall become effective when, and only when, each Party shall have received a counterpart hereof signed by all of the other Parties.

Section 16.15 No Recourse.

(a) Notwithstanding anything that may be expressed or implied in this Agreement, the Company acknowledges and agrees that, other than each Investor in each case solely to the extent provided herein or in any Ancillary Document, no recourse under this Agreement or any Ancillary Document shall be had against any former, current or future directors, officers, employees, agents, general or limited partners, managers, members, stockholders, equity owners, controlling Persons, Affiliates or assignees of any Investor or any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder, equity owner, controlling Person, Affiliate or assignee of any of the foregoing, or any heir, executor, administrator, successor or assign of any of the foregoing (collectively, the "Investor Related Parties"), whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable Law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any Investor Related Party for any obligation of the Investors under this Agreement, any Ancillary Document or any agreements, documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

(b) Notwithstanding anything that may be expressed or implied in this Agreement, each Investor acknowledges and agrees that, other than the Company solely to the extent provided herein or in any Ancillary Document, no recourse under this Agreement or any Ancillary Document shall be had against any former, current or future directors, officers, employees, agents, general or limited partners, managers, members, stockholders, equity owners, controlling Persons, Affiliates or assignees of the Company or any former, current or future director, officer, employee, agent, general or limited partner, manager, member, stockholder, equity owner, controlling Person, Affiliate or assignee of any of the foregoing, or any heir, executor, administrator, successor or assign of any of the foregoing (collectively, the "Company Related Parties"), whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable Law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any Company Related Party for any obligation of the Company under this Agreement, any Ancillary Document or any agreements, documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.
