- (b) The address of the Reporting Person is Honeywell International Inc., 300 South Tryon Street, Charlotte, North Carolina 28202.
- (c) The Reporting Person is a diversified technology and manufacturing company.
- (d) During the last five years, the Reporting Person has not been convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors).

- (f) The Reporting Person is a Delaware corporation.

**Item 3. Source and Amount of Funds or Other Consideration.**

The Reporting Person invested a total of approximately \$1,642,992 to purchase 467,200 Shares. The Reporting Person used cash on hand to fund such purchases. No borrowed funds were used to purchase the Shares.

**Item 4. Purpose of Transaction.**

On September 20, 2020, the Company announced that it had commenced reorganization proceedings under Chapter 11 of the United States Bankruptcy Code. Based on filings made by the Company with the Securities and Exchange Commission, the Company also entered into a restructuring support agreement with certain of the Company’s lenders and a stalking horse purchase agreement with a private equity firm in connection with its Chapter 11 filing.

On October 20, 2020, the Reporting Person, Oaktree Capital Management, L.P. (“Oaktree”), Centerbridge Partners, L.P., (“Centerbridge”) and certain other Company shareholders (the “Shareholder Parties” and, together with Oaktree and Centerbridge, the “Equity Commitment Parties”) entered into the Amended and Restated Coordination Agreement (including the term sheet attached thereto, the “A&R Coordination Agreement”) in anticipation of submitting an alternative proposal for a plan of reorganization (the “Proposed Plan”) to the Company.

Thereafter, the Reporting Person purchased the Shares reported herein in open-market transactions for investment purposes and to demonstrate alignment with the Company’s other shareholders. The Reporting Person intends (but does not commit) to purchase from time to time in open-market transactions (and subject to market prices) additional Shares up to but not exceeding 4.75% of the Company’s outstanding Shares.

The restructuring transactions contemplated by the A&R Coordination Agreement provide for the treatment of claims against the Company and its subsidiaries, including the termination of the Reporting Person’s Indemnification and Reimbursement Agreement and Tax Matters Agreement with the Company in exchange for an initial cash payment of \$275.0 million and new series B preferred stock in the reorganized Company providing for payment of \$1.175 billion to be paid over a twelve-year period ending December 31, 2034. Under the A&R Coordination Agreement, the Equity Commitment Parties agreed to commit to purchase, \$1,050.0 million of new shares of convertible series A preferred stock of the reorganized Company. The A&R Coordination Agreement also provides for a rights offering in which all holders of shares of Common Stock will receive subscription rights to purchase additional shares of convertible series A preferred stock at a purchase price of up to \$100.0 million in the aggregate in cash pursuant to the terms and conditions therein. Under the A&R Coordination Agreement, among other things, the Shareholder Parties agreed not to dispose of any ownership, including any beneficial ownership in any interests in the Debtors (as defined therein) unless the A&R Coordination Agreement with respect to the Shareholder Parties is terminated with respect to the Shareholder Parties and such termination is disclosed in an amendment to their respective Schedule 13Ds.

The Proposed Plan has not been approved by the Company and is subject to milestones and conditions that may not occur or be satisfied. As such, there is no assurance that the Proposed Plan will be completed on the terms set forth in the A&R Coordination Agreement, or at all. The foregoing description of the A&R Coordination Agreement is qualified in its entirety by the terms and conditions of the A&R Coordination Agreement, which is filed as Exhibit 99.1 hereto.

The Reporting Person and the Equity Commitment Parties (to the extent they own Shares of Common Stock) may be deemed to constitute a group for purposes of Rule 13d-3 under the Act. The Reporting Person reserves the right to act independently and without respect to the other Equity Commitment Parties, subject to the A&R Coordination Agreement, and to change its plans or proposals at any time, including with respect to any matter set forth in items (a) through (j) of Item 4 of Schedule 13D.

Certain of the other Equity Commitment Parties have filed, and the Reporting Person anticipates that the other Equity Commitment Parties may file additional, separate statements of beneficial ownership on Schedule 13D pursuant to Rule 13d-1(k)(2) under the Act containing their required information. The Reporting Person assumes no responsibility for the information contained in any filings by any other person. The Reporting Person expressly disclaims beneficial ownership of any securities beneficially owned or acquired by any other person except to the extent of its pecuniary interest, if any, therein. Based on information provided by the Equity Commitment Parties, the Reporting Person believes that the Equity Commitment Parties beneficially own in the aggregate 49.3% of the outstanding Shares as of the date of this statement.

The Reporting Person continues to monitor further developments in respect of the Company's reorganization. The Reporting Person may, individually or together with other persons, consider, explore and/or develop plans and/or make proposals (whether preliminary or final and whether individually or together with other parties, including other stakeholders) with respect to, among other things: the proposed stalking horse purchase agreement or any other proposals made by other persons and the Company's proposed plan of reorganization, or possible alternatives to any of the foregoing; and/or the Company's business or assets. At any time, the Reporting Person may adjust its holdings in the open market, in privately negotiated transactions or otherwise, including by acquiring additional Shares (subject to a total cap of 4.75% of the Company's outstanding Shares).
